#### FUNDS AVAILABILITY POLICY DISCLOSURE

**YOUR ABILITY TO WITHDRAW FUNDS AT VAST BANK, N.A..** Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. However, funds from electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and/or we will use them to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 6:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 6:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

**Reservation of Right to Hold.** In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$500.00 of your deposit, however, may be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

**Longer Delays May Apply.** We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- \* You deposit checks totaling more than \$5,525.00 on any one day.
- \* You redeposit a check that has been returned unpaid.
- \* You have overdrawn your account repeatedly in the last six months.
- \* We believe a check you deposit will not be paid.
- \* There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

**Holds On Other Funds.** If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

**Special Rules For New Accounts.** If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit.

Funds from deposits of checks drawn on Vast Bank, N.A. will be available on the same business day as the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

#### ELECTRONIC FUNDS TRANSFER AGREEMENT AND DISCLOSURES

This Agreement and Disclosure is made in compliance with federal law regulating electronic funds transfer (EFT) services. Electronic funds transfers are electronically initiated transfers of money involving an account at the Financial Institution. The following disclosures set forth your and our rights and responsibilities concerning the electronic funds transfers. In this Agreement, the words "you" and "your" mean those who sign as applicants or any authorized user(s). The words "we", "us" and "our" mean the Financial Institution. The abbreviation "PIN" or word "code" means a personal identification number.

### **ATM (Transfund)**

#### **ATM Charges**

**Types of Transfers:** You may use the automated teller machine (ATM) card and personal identification number (PIN) issued to you to initiate transactions at ATMs of ours, ATMs within the networks identified on your card and such other facilities as we may designate from time to time. - \* We do not charge for any POS transactions.

**ATM Fees.** When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

**Other EFT Transactions.** You may access certain account(s) you maintain with us by other EFT transaction types as described below.

**Electronic Check Conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. Electronic check conversion is a payment process in which a merchant or other payee (after obtaining your authorization) uses your check to gather routing, account, and check number information to initiate a one-time EFT. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. This type of EFT transaction involving a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. A description of the transaction will appear on your statement.

**Re-presented Check Transactions and Fees.** You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check that is returned due to insufficient or unavailable funds. The resulting fee transaction if debited as an EFT from a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. When a merchant re-presents a check electronically, that transaction is not covered by the Electronic Funds Transfer Act or this disclosure. A description of the transaction will appear on your statement.

**ONLINE AND MOBILE BANKING-**You may perform the following functions through our internet banking or mobile banking solution.

\*Initiate transfers of funds between your VAST Bank accounts      \*Check your VAST Bank account(s) balance(s) and the credits/debits that have posted to your accounts      \*Make a payment on your VAST Bank loan      \*Initiate person to person electronic transfers through TheWayiPay. P2P imitations, \$2,000 per day maximum and \$1,000 maximum transaction.      \* Make a deposit using Mobile Deposit Capture (A)      \* Use Apple Pay, Android Pay or Samsung Pay      \*Bill Pay Services- By adding this service to your NetTeller account, you may pay bills from you account using a computer or mobile device. We have two methods available for scheduling the payment of your bill: ELECTRONIC METHOD-If the payee participates in the Automated Clearing House (ACH) Network, your payment will be made electronically and, therefore, covered by this agreement. CHECK METHOD-For all other payees, the payment will be made solely by check, draft or similar paper instrument drawn on your account. As such, your deposit contract with us, and not this agreement, will cover the check payment. (A) Daily limits may apply

**Liability for Unauthorized VISA Debit Card Transactions.** The following limitations may be applicable to your accounts, except as provided by law:

The zero liability limit described below only applies to debit cards that are United States issued VISA Consumer Cards or VISA Business Cards for transactions processed through a VISA network or, for ATM transactions, a Plus network. The zero liability limit described below does not apply to: (a) other types of VISA commercial debit cards that are not VISA Business Cards; (b) transactions using your personal identification number that are not processed through a VISA network; and (c) ATM transactions which are not sent over VISA or Plus networks.

Tell us **AT ONCE** if you believe your VISA debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your VISA debit card. Your liability for unauthorized VISA debit card transactions that are processed through a VISA or Plus network, as applicable, will be zero dollars (\$0.00). However, to the extent allowed under applicable law (see for example the **Liability for Unauthorized Transfers** paragraph below) we may hold you liable for the entire amount of an unauthorized transaction if we find, based on substantial evidence, that you have been negligent or fraudulent in the handling of your deposit account or VISA debit card.

For VISA Business Cards: An "unauthorized transaction" does not include any transaction allegedly conducted by (a) a business co-owner, (b) the cardholder or person authorized by the cardholder, or (c) any other person with an interest in or authority to transact business on the account.

To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

VISA is a registered trademark of Visa in the United States and other countries.

**In addition to the limitations set forth above, the following limitations may be applicable to your consumer accounts:**

**Liability for Unauthorized Transfers.** Tell us AT ONCE if you believe your card, ATM PIN, or POS card or PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or other such means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (918) 495-1700, or write us at Vast Bank, N.A., P.O. Box 54639, Tulsa, OK 74155. You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

The above limitations do not apply to business accounts, unless otherwise required by law. You accept responsibility for implementing commercially reasonable security measures to safeguard your business account card, ATM PIN, or POS card or PIN, Audio Response PIN, or online and/or mobile banking PIN from unauthorized use. If you authorize employees, agents, or others to use your card or code, you shall be liable for transactions conducted by such additional users. You are responsible for promptly examining your statement each statement period and reporting any unauthorized transaction within a reasonable time, not to exceed Thirty (30) calendar days after the statement is made available. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your

account without your permission, call (918) 495-1700.

**Illegal Transactions.** You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

**Business Days.** For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

**Documentation.**

**Periodic Statement.** You will get a monthly account statement from us, unless there are no transactions in a particular month. In any case you will get a statement quarterly. You will get a quarterly statement from us on your savings account if this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit.

**Terminal Receipt.** You can get a receipt at the time you make a transfer to or from your account using an ATM or a POS terminal. However, receipts for transactions of \$15.00 or less may not always be available.

**Direct Deposits.** If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (918) 495-1700 to find out whether or not the deposit has been made.

**Our Liability for Failure to Make Transfers.** For consumer accounts, if we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable for instance:

- \* If, through no fault of ours, you do not have enough money in your account to make the transfer.
- \* If the money in your account is subject to legal process or other claim restricting such transfer.
- \* If the transfer would go over the credit limit on your overdraft line.
- \* If the ATM where you are making the transfer does not have enough cash.
- \* If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- \* If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.
- \* There may be other exceptions stated in our agreement with you.

For business accounts, refer to your account agreement(s) with us.

**In Case of Errors or Questions About Your Electronic Transfers.** For consumer accounts, telephone us at **(918) 495-1700**, or write us at **Vast Bank, N.A., P.O. Box 54639, Tulsa, OK 74155** as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- \* Tell us your name and account number (if any).
- \* Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- \* Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If a notice of error involves unauthorized use of your point of sale debit card with the VISA logo when it is used as a VISA point of sale debit card, we will provide provisional credit within five (5) business days after you notify us instead of within ten (10) or twenty (20) business days. We may withhold providing this accelerated provisional credit, to the extent allowed under applicable law, if the circumstances or account history warrants the delay.

For business accounts, we will generally follow the procedures for error resolution described above, but we are not required to process a claim if you do not notify us within Thirty (30) calendar days after the statement is made available, to give provisional credit, or to investigate your claim within the time periods described above.

**Confidentiality.** We will disclose information to third parties about your account or the transfers you make:

- \* To complete transfers as necessary;
- \* To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or merchant; or
- \* To comply with government agency or court orders; or
- \* If you give us your written permission.

**Personal Identification Number (PIN).** The ATM PIN or POS PIN issued to you is for your security purposes. The numbers are confidential and should not be disclosed to third parties or recorded on the card. You are responsible for safekeeping your PIN(s). You agree not to disclose or otherwise make your ATM PIN or POS PIN available to anyone not authorized to sign on your accounts.

**Notices.** All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future

changes to those regulations.

**Enforcement.** In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

**Termination of ATM and POS Services.** You agree that we may terminate this Agreement and your use of the ATM Card or POS services, if:

- \* You or any authorized user of your ATM PIN or POS card or PIN breach this or any other agreement with us;
- \* We have reason to believe that there has been an unauthorized use of your ATM PIN or POS card or PIN;
- \* We notify you or any other party to your account that we have cancelled or will cancel this Agreement. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

**Preauthorized Electronic Fund Transfers.** For preauthorized electronic fund transfers on consumer accounts, the following provisions apply:

**Stop Payment Rights.** If you have told us in advance to make regular electronic fund transfers out of your account(s), you can stop any of these payments. Here's how: Call us or write to us at the telephone number or address set forth above, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$ 28.00 for each stop payment order you give.

**Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

**Liability for Failure to Stop Payment of Preauthorized Transfers.** If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

For preauthorized electronic fund transfers on business accounts, you may stop payment by notifying us in such time and manner as to allow us a reasonable opportunity to act upon the stop payment order prior to acting on the transfer. If your stop payment order is made verbally, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$ \_\_\_\_\_ for each stop payment order you give.

**Other Provisions.** There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

## **SUBSTITUTE CHECK POLICY DISCLOSURE**

### **Substitute Checks and Your Rights**

#### **What is a substitute check?**

To make check processing faster, federal law permits credit unions and banks to replace original checks with "substitute checks". These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

#### **What are my rights regarding substitute checks?**

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,501.00 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

#### **How do I make a claim for a refund?**

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at VAST.BANK N.A., 110 N ELGIN STE 500, TULSA, OK, 74120, (918) 495-1700, INFO@VAST.BANK. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include--

- \* A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- \* An estimate of the amount of your loss;

- \* An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- \* A copy of the Substitute Check

## DEPOSIT ACCOUNT AGREEMENT AND DISCLOSURE

**INTRODUCTION.** In this Deposit Account Agreement and Disclosure, each and all of the depositors are referred to as "you" and "your." The Financial Institution is referred to as "we," "our," and "us." This Deposit Account Agreement contains the terms and conditions governing certain of your deposit accounts with us. As used in this document, the term "Agreement" means this document, the signature card, a rate and fee schedule (which may be in the form of a Rate and Fee Schedule, Time Certificate of Deposit, or Confirmation of Time Deposit, hereinafter called the "Schedule"), Truth in Savings disclosures, a Funds Availability Policy Disclosure, and an Electronic Funds Transfer Agreement and Disclosure, if applicable. Each of you signing the signature card for a deposit account acknowledges receipt of this Agreement, and agrees to the terms set forth in the Agreement, as amended from time to time. You agree that we may waive, in our sole discretion, any fee, charge, term, or condition set forth in this Agreement at the time the Account is opened or subsequent thereto, on a one-time basis or for any period or duration, without changing the terms of the Agreement or your obligation to be bound by the Agreement, and we are not obligated to provide similar waivers in the future or waive our rights to enforce the terms of this Agreement.

**NOTICE.** THIS DEPOSIT ACCOUNT AGREEMENT AND DISCLOSURE REQUIRES ALL DISPUTES TO BE RESOLVED BY WAY OF BINDING ARBITRATION. THE TERMS OF THE ARBITRATION CLAUSE ARE INCLUDED IN THE ARBITRATION AND WAIVER OF CLASS ACTION SECTION OF THIS AGREEMENT.

**DATE ACCOUNT OPENED.** If you open an account with us after 6:00 PM on a business day that we are open, we will consider that the transaction was made at the opening of the next business day for account opening, effective date and issue date purposes.

**DEPOSIT ACCOUNTS.** From time to time, we may offer or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. If you open multiple Accounts, you may receive Schedule information for each Account, but this Agreement will cover all your Accounts with us. Each of you will be jointly and severally liable to us for debit balances in the Account, including without limitation overdrafts and Account charges, and jointly and severally promise to pay, upon demand, any and all debit balances, all fees and charges, and our reasonable attorneys' fees and costs and expenses of collection, including but not limited to those incurred at trial and on any appeal.

**INTEREST.** If your Account earns interest, the following information applies: **(A) Payment of Interest.** We will pay interest at the annual rate specified on the Schedule, which does not reflect compounding ("Interest Rate"). The Schedule also sets forth the frequency of interest payments, the frequency of any compounding and crediting, the interest accrual basis, the balance on which interest will be paid, and any minimum balance requirements. **(B) Minimum Balance Requirements.** The Schedule may specify a minimum balance that you are required to maintain in your Account. If the minimum balance is not maintained during a specified period, we, at our option, may not pay interest on your Account and/or may charge a fee for that period. You should review any minimum balance requirements on the Schedule. **(C) Initial Interest Rate.** The initial interest rate is the current annual rate of interest that we will pay on the specified balance in your Account. We may pay interest at different rates, depending on the amount deposited and the type of depositor (individual, business, non-profit organization, etc.). **(D) Interest Compounding and Crediting.** The Schedule will indicate the interest compounding and crediting frequency for your Account (if any). Compounding generally means that interest is being accrued on earned interest. Interest may be compounded more frequently than interest is credited to your Account. **(E) Interest Accrual.** We may accrue interest on your Account more frequently than we pay or credit interest. The interest that has been calculated, but not paid to the Account, is called accrued unpaid interest. **(F) Changes.** We have the right to change the rates and fees in accordance with the terms of the Schedule. We also reserve the right to change any other term of this Agreement at our sole discretion.

**FEES AND CHARGES.** Subject to applicable law, you agree to pay us the fees and charges shown in the Schedules as are applicable to your Account or for other services performed by us. You agree the fees and charges may be changed by us from time to time and authorize us to charge your account for their payment whether or not each charge results in an overdraft of your account. Existing and future charges may be based upon the overall costs of providing account services and may or may not be based upon the direct cost or expense associated with providing the particular service involved. The charges may be based on consideration of profit, competitive position, deterrence of misuse of account privileges by customers, and the safety and soundness of the financial institution. We will notify you of the changes, to the extent required by law.

**BALANCE METHODS.** As used in this Agreement, the "average daily balance" method means "the application of a periodic rate to the average daily balance in the account for the period, determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period." The "daily balance" method means "the application of a daily periodic rate to the full amount of principal in the account each day."

**DEPOSIT RULES.** The following terms apply to deposits made to your Account: **(A) Endorsements.** You authorize us to accept transfers, checks, and other items for deposit to your Account if they are made payable to, or to the order of, any one or more of you, whether or not they are endorsed by you. You authorize us to supply missing endorsements, and you warrant that all endorsements are genuine. All checks and other items deposited to your Account should be endorsed payable to the order of us for deposit only, followed by your signature and Account number. We may permit you to deposit an electronic image or other electronic information related to a paper check through a service we provide that allows you to use a device, such as a mobile phone, to create and send to us such electronic image or information electronically. Before capturing an electronic image or electronic information of a paper check, you must endorse the check payable to the order of us "for mobile deposit only", followed by your signature and Account number, or any alternative restrictive endorsement we may allow and communicate to you. All endorsements must appear on the back of the check or other item within the first 1-1/2 inches from the left side of the item when looking at it from the front. Endorsements should be in black ink. While we may accept non-conforming endorsements, you will be responsible for any loss incurred by us due to the delay in processing or returning the item for payment. **(B) Final Payment.** All non-cash items (for example, checks) deposited to your Account are posted subject to our receipt of final payment by the payor bank. Upon receipt of final payment, the item becomes a collected item. If final payment is not received or if any item you have deposited or cashed is charged back to us for any reason, you authorize us to charge any of your Accounts, without prior notice and at any time, for the amount of the returned item, our returned item fee, any interest paid on that item, and any other fee we pay or incur. If an item to be charged back is lost in the process of collection or unavailable for return, we may rely upon a photocopy of the item or upon any other generally accepted notification of return of the item, in charging you or any of your Accounts for the amount of the returned item. We reserve the right to refuse any item for deposit into your Account. **(C) Direct Deposits.** If we offer direct deposit services for automatic preauthorized deposits to your Account of Social Security payments or automatic transfers from your other accounts with us, you must notify us at least 30 days prior to the next scheduled direct deposit or preauthorized transfer if you wish to cancel the direct deposit or transfer service. If any amount deposited must be returned to the government for any reason, you authorize us to deduct the amount from your Account as provided in the Final Payment paragraph above. **(D) Crediting of Deposits.** The Funds Availability Policy Disclosure provided to you reflects our policies relating to the availability of deposited funds. **(E) Substitute Checks and Electronic Files Pertaining to Original Checks.** If you deposit a "substitute check" (as defined in Regulation CC § Section 229.2(aaa)) or a purported substitute check into your Account, you agree to reimburse us for losses, costs and expenses we may pay or incur associated with the item not meeting applicable substitute check standards and/or from duplicate payments

associated with the item. If you provide us with an electronic representation of a substitute check for deposit into your account instead of an original check, you agree to reimburse us for losses, costs and expenses we may pay or incur associated with the substitute check resulting from the electronic representation not meeting applicable substitute check standards and/or from duplicate payments associated with the item. If you provide us with an electronic image or electronic information related to a paper check for deposit into your Account, you agree to reimburse us for losses, costs, and expenses we may pay or incur associated with the electronic image or information not meeting applicable standards for such images and/or from duplicate payment associated with the check. **(F) Deposit Discrepancies.** When you make a deposit to your account, we will credit your account for the amount stated on your deposit slip and we may provide you with a deposit receipt. We reserve the right to review the deposit and confirm the amount of funds you deposited but are not required to do so. If after any review we determine that the amount credited to your account is incorrect, we may adjust your account for the amount of the discrepancy but reserve the right not to do so if the discrepancy would not be a disadvantage to you. This may be the case, for example, if the amount credited to your account was more than the amount actually deposited by you. Notwithstanding the foregoing, we are not required to adjust your account unless within one year of the date of your account statement that shows the deposit either you notify us of the discrepancy or we discover it on our own. If you do not notify us of the error or we do not discover it on our own during this notice period, the amount credited to the account will be considered final.

**WITHDRAWAL RULES.** The following terms apply to withdrawals from your Account: **(A) Manner of Withdrawal.** You may make withdrawals from your Account in any manner that is permitted by us for the type of Account that you have opened. Withdrawals by mail will be posted to your Account as of the day the transaction is processed by us. We may refuse to accept any check other than standard checks provided by us, or approved by us in advance. Withdrawals and transfers from your Account may be restricted as provided in the Agreement, or in the Schedule, or by applicable law. **(B) Withdrawal Restrictions and Overdrafts.** We do not have to allow you to make a withdrawal from your Account if you don't have sufficient available funds in the Account to cover the full amount of the withdrawal. **If there are available funds to cover some, but not all, of the withdrawals or other debits to your Account on a single business day, we will post the checks for which there are sufficient available funds.** Our posting order is described in the "HOW TRANSACTIONS ARE POSTED TO YOUR ACCOUNT" section below. **"Overdraft"** means that there is not enough available balance in your account at the time a transaction is presented to us and we decide whether to authorize it for payment. Should an overdraft occur and you have signed up for an overdraft protection agreement, then we will first attempt to authorize and pay the item through the overdraft protection agreement we have with you. If you have not signed up for an overdraft protection agreement or funds are not available in any of the overdraft protection agreement accounts when a transaction is presented to us, then we may either reject the transaction or we may, at our discretion, elect to pay it using our Standard Overdraft Policy (as described below). We may pay other withdrawals or debit items (such as charges) prior to paying any checks, and we may post those other withdrawals or debit items in any order we may choose at our sole discretion. If there are insufficient funds available in your Account to cover a withdrawal or debit presented against your Account, this is called an "overdraft". We will handle each overdraft in accordance with our Standard Overdraft Policy (described below) or in accordance with any other agreement you may have with us (such as an overdraft protection agreement). Even if we choose to pay one or more overdrafts, we are not obligated to cover any future overdrafts. When we determine whether payment of an item will create an overdraft, we may determine the balance of your account at any time between the time we receive the item and the deadline for us to take action on the item. We are not required to determine your account balance more than one (1) time during this period. **(C) Standard Overdraft Policy.** Unless we have agreed to a separate overdraft protection agreement with you, the following rules apply. We are not obligated to pay any overdraft. Subject to the special rules discussed below for transactions at an ATM and one-time debit card transactions, we may assess a service charge on any withdrawal created by check, in-person withdrawal, ATM withdrawal, or other electronic means that results in an overdraft, whether we pay the overdraft or not. If we pay the overdraft, you agree, immediately upon notice from us, to deposit funds sufficient to cover the overdraft plus any service charge we impose. For consumer accounts, we may not impose a service charge in connection with an overdraft that results from a transaction at an ATM or a one-time debit card transaction unless you have given us your consent to pay service charges in connection with overdrafts that result from these transactions and we have sent written confirmation of that consent to you. You may revoke that consent at any time. **(D) Notice Requirements.** Federal regulations require us to retain the right to require you to give at least seven (7) days notice in writing prior to any intended withdrawal from a savings, negotiable order of withdrawal ("NOW"), or money market account. Although we usually pay withdrawals or checks without notice on these accounts, doing so does not mean that we give up this right. **(E) Postdated Items.** You agree that when you write a check, you will not date the check in the future. If you do and the check is presented for payment before the date of the check, we may pay it or return it unpaid. You agree that if we pay the check, the check will be posted to your Account on the date we pay the check, even though the posting date is prior to the date of the check. You further agree that we are not responsible for any loss to you in doing so. We will not honor a postdated check if we receive advance notice from you at such a time and in such a manner as to afford us reasonable opportunity to act. The notice must be in writing, and it must specify the date, amount, and number of the check, along with the name of the payee. Notices are effective for the time periods stated under STOP PAYMENT ORDERS. You agree that we may return a postdated check to the presenter. **(F) Power of Attorney.** The person executing a power of attorney will be referred to as the principal and the person acting for the principal as the agent. We may refuse to comply with a power of attorney for reasonable cause, or until we receive an affidavit from the agent stating that the Power of Attorney presented is a true copy and that, to the best of the agent's knowledge, the principal is alive and that the relevant powers of the agent have not been altered or terminated. **(G) Signatures.** You recognize that we have adopted automated collection and payment procedures so that we can process the greatest volume of items at the lowest possible cost to our customers. In light of this, you agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for the sight examination of items with a face amount below an amount specified by us from time to time. You authorize us to store and use Signature Card information in any reasonable form we deem necessary, including any digitized signature capture process. If you use a facsimile signature or other form of mechanically reproduced signature (such as, but not limited to, desktop publishing, digitized, or computer software generated signature), you agree you shall have the sole responsibility for maintaining security of the facsimile or mechanically reproduced signature and the device by which the facsimile or mechanically reproduced signature is affixed and you shall bear the entire risk for unauthorized use thereof whether or not you are negligent. You agree that no facsimile or mechanically reproduced signature we have been authorized to honor may be considered a forgery or an unauthorized signature, but that such facsimile or mechanically reproduced signature shall be effective as your signature or endorsement whether or not you have been negligent. You further agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure (including reasonable attorney's fees) we or you may suffer or incur as a result of the unlawful use, unauthorized use, or misuse by any person of any such facsimile or mechanically reproduced signature or the device by which it is affixed. If you use any form of facsimile or mechanically reproduced signature device, you agree to deliver a sample to us if we request it. **(H) Preauthorized Drafts.** If we are unable to enforce presentment and transfer warranties on remotely created checks under Regulation CC, then if you voluntarily give information about your Account (such as our routing number and your account number) to a party who is seeking to sell you goods or services, and you do not physically deliver a check to the party, any debit to your account initiated by the party to whom you gave the information is deemed authorized by you. **(I) Electronic Check Conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. The merchant or other payee uses the check information, along with the transaction amount, to initiate an ACH debit transaction. The transaction is electronically transferred through the ACH system and the funds will be debited directly from your account and deposited automatically into the merchant or payee's account. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. A description of the transaction will appear on your statement from us. Checks used in these types of transactions will not be returned with your statement. This type of electronic funds transfer from a consumer account is governed by the Electronic Funds Transfer Act and subject to the Electronic Funds Transfer Agreement and Disclosure(s). **(J) Re-presented Checks.** If a merchant electronically re-presents a check returned due to insufficient or uncollected funds, that transaction is not covered by the Electronic Funds Transfer Act. Checks involved in this type of transaction will not be

included with your statement. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check. If a merchant electronically collects a fee associated with the re-presentation of a check, the fee transaction is covered by the Electronic Funds Transfer Act and subject to the Electronic Funds Transfer Agreement and Disclosures if the fee is debited as an electronic funds transfer from a consumer account. A description of the transaction will appear on your statement. **(K) Check Legends.** We may disregard information on any check or item other than the signature of the drawer, the identification of the drawee financial institution and payee, the amount, the endorsements, and any other information that appears on the MICR line. In addition, we are not responsible to take action on, or for failure to notify you of restrictive language placed on checks or other items, including but not limited to terms such as, "Void after 90 Days," "Paid in Full," "Two Signatures Required," "Void Over \$100" or similar statements. In accordance with reasonable banking standards, most checks and other items are processed through automated processing and, except in limited circumstances and in our discretion, most items are not individually examined. You agree that we act within reasonable banking standards by processing most checks and other items through automated processing systems. We may agree to adhere to extraneous legends if you notify us of such legends and we have agreed in writing to honor such legends. **(L) Non-Customer Check Cashing Identification.** If a person who is not a customer of ours presents a check drawn against one of your accounts for payment over the counter, we may require identification that meets our standards including a thumbprint or fingerprint from the person. You agree that if the person refuses to comply with our identification standards, we may not cash the check and we have no liability to you for refusing to cash the check.

**STALE CHECKS.** We reserve the right to pay or dishonor a check more than six (6) months old without prior notice to you.

**CHECKING ACCOUNTS.** If your account is a checking account, the following terms may apply. If we offer NOW accounts, the account must consist solely of funds in which the entire beneficial interest is held by one or more individuals in an individual capacity, a sole proprietor, or a governmental unit, but not professional corporations or business partnerships. A NOW account may also be held by a for profit organization serving in a fiduciary or trustee capacity for an entity that is itself permitted to hold a NOW account. Otherwise, an organization may hold a NOW account only if it is operated primarily for religious, philanthropic, charitable, educational, or other similar purpose.

**SAVINGS ACCOUNTS.** If your account is an interest bearing account and is not a NOW account or time deposit, the following terms may apply. **(A) Transfers and Withdrawals.** If your Account is a savings or money market deposit account, you may make no more than six (6) transfers and/or withdrawals during any one (1) calendar month or statement cycle (the period from one statement to the next) or similar period of at least four weeks, to another of your accounts with us or to a third party by means of a preauthorized or automatic transfer, or telephonic (including data transmission) agreement, order or instruction or by check, draft, debit card, or similar order made by you and payable to third parties. A "preauthorized transfer" includes any arrangement by us to pay a third party from your account upon written or oral instruction (including an order received through an automated clearing house (ACH) or any arrangement by us to pay a third party from your account at a predetermined time or on a fixed schedule.) **(B) Excess Transactions.** We are not required by applicable law to enforce these transfer limits, but we are authorized by applicable law to enforce them if we so choose. If we elect to enforce these transfer limits, and if you have more than the allowable preauthorized transfers or preauthorized checks or drafts (for money market accounts) in any one period, we may elect to close your Account and place the funds in another account that you are eligible to maintain, or we may elect to take away the transfer and draft capabilities of the Account.

**YOUR CHECKING ACCOUNT BALANCE.** The following is important information regarding your account balances, how transactions are authorized and posted to your account, and when an NSF Paid Item Fee, NSF Returned Item Fee or Bounce Paid Item Fee will be charged. You should read these disclosures carefully. If you have questions, please see a branch representative or call 918-495-1700.

Your checking account has two balances: the "actual" balance and the "available" balance. Both can be checked when you review your account online, on our mobile banking app, at an ATM, or at a branch. Please note that the "current balance" displayed on online and mobile banking represents your "actual" balance, as described herein. The "memo balance" displayed on the "Account Info" screen in online banking and the balance displayed on the "My Accounts" screen in the mobile banking app represents your "available" balance, as described herein. It is important to understand how the two balances work so that you know how much money is in your account at any given time. This section explains actual and available balances and how they work.

Your actual balance is the full amount of all deposits, even though some portion of a deposit may be on hold and may not be available to you, less payment transactions that have "posted" to your account, but not payment transactions that have been authorized and are pending. Thus, while the term "actual" may sound as though the number you see is an up-to-date display of what is in your account that you can spend, that is not always the case. Any holds for purchase transactions, holds on deposits, or other checks, payments and fees that have not yet posted will not appear in your actual balance. For example, if you have a \$50 actual balance, but you just wrote a check for \$40, then your actual balance is \$50 but does not reflect the pending check transaction. So at that point, you actually have \$50, but you have already spent \$40.

Your available balance is the amount of money in your account that is available to you to use. The available balance is the actual balance less things like holds placed on deposits and pending transactions (such as pending debit card purchases) that the bank has authorized but that have not yet posted to your account. For example, assume you have an actual balance of \$50 and an available balance of \$50. If you were to swipe your debit card at a restaurant to buy lunch for \$20, then that merchant could ask us to pre-authorize the payment. In that case, we will reduce your available balance by \$20 because once we authorize the payment, we are obligated to pay. Your actual balance would still be \$50 because this transaction has not yet posted, but your available balance would be \$30 because you have committed to pay the restaurant \$20. When the restaurant submits its bill for payment (which could be a few days later), we will post the transaction to your account and your actual balance will be reduced by \$20.

We use available balance at the time transactions are presented to use to decide whether to authorize them for payment. We also use available balance **at the time transactions are posted and actually paid (not when authorized)** to decide whether to charge NSF Paid Item, NSF Returned Item and Bounce Paid Item Fees. The following example illustrates how this works:

Assume your actual and available balance are both \$100, and you swipe your debit card at a restaurant for \$60. As a result, your available balance will be reduced by \$60 so your available balance is only \$40. Your actual balance is still \$100. Before the restaurant charge is sent to us for posting, a check you wrote for \$50 clears. Because you have only \$40 available (you have committed to pay the restaurant \$60), your account will be overdrawn by \$10, even though your actual balance was \$100. In this case, we may reject the check, in which case you will be charged an NSF Returned Item Fee. If you are eligible for Bounce Protection, then we may pay the \$50 check, but you will be charged a Bounce Paid Item Fee of \$30 because your available balance was not sufficient at the time of payment to cover the check. **Also**, when the \$60 restaurant charge is later submitted to the bank and posted to your account, you will not have enough money in your available balance because of the intervening check, and you will be charged an NSF Paid Item Fee for that transaction as well, even though your available balance was positive when it was authorized.

It is very important to understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you want to make. This is because your available balance may not reflect all your outstanding checks and automatic bill payments that you have authorized, or other outstanding transactions that have not been paid from your account. In the example above, the outstanding check will not be reflected in your available balance until it is presented to us and posted to your account.

In addition, your available balance may not reflect all of your debit card transactions. For example, if a merchant obtains our prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we must release the authorization hold on the transaction. The available balance will

not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account.

**TIME DEPOSITS.** If your Account is a time deposit, you have agreed to keep the funds on deposit until the maturity of your Account. If your Account has not matured, any withdrawal of all or part of the funds from your Account may result in an early withdrawal penalty. We will consider requests for early withdrawal and, if granted, the penalty provided in the Schedule will apply. **(A) Penalty.** The early withdrawal penalty is calculated as a forfeiture of part of the accrued interest that has or would be earned on the Account. If your Account has not yet earned enough interest so that the penalty can be deducted from earned interest, or if the interest already has been paid, the difference will be deducted from the principal amount of your Account. For fixed rate Accounts, we will use the rate in effect for your deposit. **(B) Exceptions.** We may let you withdraw money from your Account before the maturity date without an early withdrawal penalty: (1) when one or more of you dies or is determined legally incompetent by a court or other administrative body of competent jurisdiction; or (2) when the Account is an Individual Retirement Account (IRA) established in accordance with 26 USC 408 and the money is paid within seven (7) days after the Account is opened; or (3) when the Account is a Keogh Plan (Keogh), if you forfeit at least the interest earned on the withdrawn funds; or (4) if the time deposit is an IRA or Keogh Plan established pursuant to 26 USC 408 or 26 USC 401, when you reach age 59 1/2 or become disabled; or (5) within an applicable grace period (if any).

**STOP PAYMENT ORDERS.** Subject to certain limitations, you may order us to stop payment on any check, automated clearing house/pre-authorized electronic funds transfer ("ACH/EFT"), or other item payable from your Account, whether drawn or authorized by you or any other account holder, as follows:

**Stop Payment Against a Check or Other Item.** A stop payment request against a check or other item payable from your Account will be effective if we receive the order at such time and in such manner as to afford us a reasonable opportunity to act upon the order. A stop payment order against a check or other item payable from your Account is effective for six (6) months, but it lapses after fourteen (14) calendar days if the original order was oral and was not confirmed in writing within that period. A stop payment order against a check or other item payable from your Account may be renewed for additional six (6) month periods if renewed during a period within which the stop payment order is effective.

**Stop Payment Against an ACH/EFT.** For consumer accounts, a stop payment order against an ACH/EFT may be honored if received at least three (3) banking days before the scheduled date of the transfer. If we honor a stop payment request against an ACH/EFT received on or within three (3) banking days of the scheduled transfer, we do so without any liability or responsibility to any party having any interest in the entry. A stop payment order against an ACH/EFT is effective until the earlier of: (i) you withdraw the stop payment order, or (ii) the debit entry is returned, or, where a stop payment order is applied to more than one debit entry under a specific authorization involving a specific party, all such debit entries are returned. We may require you to provide us written confirmation of a verbal stop order request against an ACH/EFT within fourteen (14) calendar days. Additionally, if you request us to stop all future payments pursuant to a specific ACH/EFT authorization involving a particular party, we may require you to confirm in writing that you have revoked such authorization. For business accounts, a stop payment against an ACH/EFT is effective until the earlier of (i) you withdraw the stop payment order, (ii) the return of the debit entry, or (iii) six months from the date of the stop payment order, unless renewed in writing.

All stop payment order requests will require you to provide the date, the amount, and the number of the item or authorization, together with the name of the payee. If you give us incorrect information, we will not be liable for failing to stop payment on the item or authorization. Our acceptance of a stop payment order will not constitute a representation that the item or authorization has not already been paid or that we have a reasonable opportunity to act upon the order. You may not stop payment on an official, certified, cashier's, or teller's check issued by us, or request us to stop payment if we have otherwise become accountable for the item or authorization. In addition, you may not stop payment on checks governed by a separate agreement, such as a check guaranty agreement. Further you may not stop payment on an item or authorization after acceptance of the same by us.

Based upon the type of account ownership that you have designated, the following terms and conditions apply.

**INDIVIDUAL ACCOUNTS.** An Individual Account is an account in the name of one depositor only. Only that person may write checks against the Account or withdraw money, regardless of who actually owns the funds.

**MINOR-OWNED ACCOUNTS.** The following applies if you are a minor and you are the sole and absolute owner of the Account. Your parent or legal guardian may deny your authority to control, transfer, draft on, or make withdrawals from your Account by notifying us in writing. Upon our receipt of such written notice, you may not control, transfer, draft on, or make withdrawals from the Account during your minority unless your parent or legal guardian signs the transfer request, check, draft, item, withdrawal request, or performs any other requested transaction with you. If you die while you are still a minor, the receipt or acquittance of your parent or legal guardian discharges our liability to the extent of the receipt of the acquittance, except that the aggregate discharges under this 6 O.S. section 903.1(D) may not exceed Three Thousand Dollars (\$3,000.00).

**MULTIPLE-PARTY ACCOUNTS.** This section pertains to multiple party accounts:

**(A) Joint Account Ownership.** An account with two or more Account Holders is a joint account. Unless you designate otherwise on the Signature Card, joint Account Holders will be considered joint tenants with right of survivorship.

**(1) Joint Tenants With Right of Survivorship.** If your Account is a joint account with right of survivorship, upon the death of one of the joint Account Holders, that person's ownership interest in the Account will immediately pass to the other joint Account Holder(s).

**(2) Joint With No Right of Survivorship.** If your Account is a joint account with no right of survivorship (Joint as Tenants in Common), upon the death of one of the joint Account Holders, that person's proportionate ownership interest will pass to the estate of the deceased Account Holder.

Each joint Account Holder, without the consent of any other Account Holder, may, and hereby is authorized by every other joint Account Holder, to make any transaction permitted under the Agreement, including without limitation: to withdraw all or any part of the account funds; to pledge the account funds as collateral to us for any obligation, whether that of one or more Account Holders or of a third party; to endorse and deposit checks and other items payable to any joint Account Holder; to give stop payment orders on any check or item, whether drawn by that Account Holder or not; to consent to or revoke consent to payment of service charges on overdrafts that result from ATM transactions or one-time debit card transactions under the Standard Overdraft Policy; and, to close the account, with the disbursement of account proceeds as instructed by the joint Account Holder. Each joint Account Holder is authorized to act for the other Account Holder(s) and we may accept orders and instructions regarding the account from any joint Account Holder. If we believe there to be a dispute between joint Account Holders or we receive inconsistent instructions from the Account Holders, we may suspend or close the account, require a court order to act, and/or require that all joint Account Holders agree in writing to any transaction concerning the account.

Your obligations under the Agreement are joint and several. This means that each joint Account Holder is fully and personally obligated under the terms of the Agreement, including liability for overdrafts and debit balances as set forth above, irrespective of which joint Account Holder benefited from the withdrawal. If you establish a joint account without the signature of the other joint Account Holder(s), you agree to hold us harmless for our reliance upon your designation of the other joint Account Holder(s) listed on our documents. Further, the Account is subject to the right of setoff as set forth below.

**(B) Totten Trust Account.** A Totten Trust Account is an informal trust account, reflected on our records, but without a written trust agreement, where the Account is owned by the trustee. The beneficiaries have no right to any funds in the Account during the trustee's lifetime. As the owner of the Account, the trustee may withdraw money from the Account and may, by written direction to us, change the beneficiary under the Account. When the trustee dies, the Account is owned by the named beneficiary or beneficiaries. If the Totten Trust Account is held by more than one trustee, the trustees will be subject to the rules pertaining to joint account ownership as set forth above. If there is no surviving beneficiary upon the death of the last trustee, state law will determine ownership of the funds in the Account.

**(C) P.O.D. Account.** A Payable on Death (P.O.D.) Account is an account payable to the Account Holder during his or her lifetime. As the owner of the Account, you may withdraw money from the Account and may, by written direction to us, change the P.O.D. payee(s) under the Account. When the last Account Holder dies, the Account is owned by the P.O.D. payee(s). If the P.O.D. Account is held by more than one person, each Account Holder will be subject to the rules pertaining to joint account ownership as set forth above. Each beneficiary is entitled to a proportionate share of the Account proceeds upon the last account holder's death. If a beneficiary dies before the last account holder, the beneficiary's share shall go to the beneficiary's estate. A P.O.D. account cannot designate unequal shares for different P.O.D. beneficiaries. We may require the account holder(s) to provide an address for any P.O.D. beneficiary. If the P.O.D. account is an interest-bearing account and the funds are not claimed by a P.O.D. beneficiary within sixty (60) days after the death of the last account holder or after we receive notice of the last account holder's death, whichever is later, we have the right to convert the account into a non-interest bearing account. No change in the designation of a named beneficiary shall be valid unless executed by the owner of the funds and in the form and manner prescribed by us. If there is no surviving P.O.D. payee upon the death of the last owner, state law will determine ownership of the funds in the Account. P.O.D. payee beneficiary designations are subject to the requirements of applicable Oklahoma law providing for revocation in the event of divorce or annulment. **NOTICE: Distribution of the proceeds in the P.O.D. account shall be consistent with the provisions of Section 901 of Title 6 of the Oklahoma Statutes.**

**ADDITIONAL ACCOUNT TYPES.** This section applies to other deposit account types:

**(A) Formal Trust Account.** A Formal Trust Account is an account held by one or more trustees for the benefit of one or more beneficiaries according to a written trust agreement. Upon our request, the trustee(s) will supply to us a copy of any trust agreement or a Certificate of Trust covering the account. We act only as custodian of the trust funds and are under no obligation to act as a trustee or to inquire as to the powers or duties of the trustee(s). The trustee(s) and/or any person opening the Account, in their individual capacity and jointly and severally, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or other trustee with respect to the authority or actions taken by the trustee(s) in handling or dealing with the Account.

**(B) Uniform Transfer to Minors.** If you have established the account as a custodian for a minor beneficiary under our state version of the Uniform Transfers to Minors Act, your rights and duties are governed by the Act. You will not be allowed to pledge the account as collateral for any loan to you. Deposits in the account will be held by us for the exclusive right and benefit of the minor. The custodian and/or any person opening the Account, in their individual capacity, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or other custodian with respect to the authority or actions taken by the custodian in handling or dealing with the Account.

**(C) Representative Payee Accounts.** Subject to applicable law, a Representative Payee Account is a type of fiduciary account in which a representative payee (appointed by the Social Security Administration) manages Social Security and Supplemental Security funds received on behalf of a beneficiary. Upon our request, the representative payee will provide sufficient documentation from the Social Security Administration indicating his or her appointment as a representative payee for the Account Holder. We may require additional documentation from the representative payee indicating his or her authority to act on behalf of the Account Holder. The representative payee does not have an ownership interest in funds in the Account. The representative payee does not have a right of survivorship in the Account on the death of the Account Holder. We act only as custodian of the funds and are under no obligation to act as a trustee or to inquire as to the powers or duties of the representative payee. The representative payee agrees to indemnify, and hold us harmless from and against any and all loss, cost, damage, liability, or exposure, including reasonable attorneys' fees, we may suffer or incur arising out of any action or claim by the beneficiary, a government entity or by any other party regarding the authority or actions taken by the representative payee in handling or dealing with the Account.

**(D) Agency Account.** An Agency Account is an account to which funds may be deposited and withdrawals made by an Agent designated by the owner of the funds. An Agent has full authority with regard to the Account but does not have an ownership interest in the account. An Agency Account is revocable at any time by notifying us in writing. An Agency designation may be combined with one of the other forms of account ownership.

**(E) Business Accounts.** If the Account is not owned by a natural person (for example, it is owned by a corporation, partnership, limited liability company, sole proprietorship, unincorporated association, etc.), then the Account Holder must provide us with evidence to our satisfaction of the authority of the individuals who sign the signature card to act on behalf of the Account Holder. On any transactions involving the Account, we may act on the instructions of the person(s) authorized in the resolutions, banking agreement, or certificate of authority to act on behalf of the Account Holder. You agree to notify us in writing of any changes in the person(s) authorized or the form of ownership. If we receive conflicting instructions or a dispute arises as to authorization with regard to the handling of the Account, you agree we may place a hold on the Account until such conflict or dispute is resolved to our satisfaction and we will not be liable for dishonored items as a result of such hold.

**(F) Fiduciary Accounts.** With respect to all fiduciary accounts, including but not limited to estate accounts, guardianship accounts, representative payee accounts, and conservatorship accounts, and any Formal Trust Account, Uniform Transfers to Minors Act Account, or Agency Account, we reserve the right to require such documents and authorizations as we may deem necessary or appropriate to satisfy that the person(s) requesting or directing the withdrawal of funds held in the Account have the authority to withdraw such funds. This applies at the time of account opening and at all times thereafter.

**(G) Attorney Client Trust** Subject to applicable law, an Attorney Client Trust or IOLTA Trust Account is an account set up by an attorney or law firm to hold client or third party funds in trust, separate from the attorney's or law firm's funds. Upon our request, the authorized signers for an Attorney Client Trust or IOLTA Trust Account will provide documentation required by applicable state law and applicable bar association (or similar entity) rules. We act only as custodian of the trust funds and are under no obligation to act as a trustee or to inquire as to the powers or duties of the attorney or law firm as trustee(s). The attorney, law firm, or any authorized individual on the account agrees to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or third party with respect to the authority, actions, or inaction taken by the trustee(s) or authorized individuals in handling or dealing with the account. Additional account terms are governed by a separate agreement. If this is an IOLTA Trust Account, we will not permit the lawyer or law firm to receive the interest. The interest (minus applicable fees) on an IOLTA Trust Account will be remitted to the Oklahoma Bar Foundation - IOLTA, pursuant to your instructions and at your request. IOLTA Trust Accounts are used to hold an attorney's or law firm's client funds that are nominal in amount or held for short periods of time.

**(H) Real Estate Broker Client Trust Accounts** Subject to applicable law, a real estate broker may open account(s) to hold client or third party funds in trust, separate from the broker's funds. We act only as custodian of the funds. We are under no obligation to act as a trustee or to inquire as to the powers or duties of the broker or other authorized signer(s) as trustee(s). The broker and any authorized individual on the

account in their individual capacity and jointly and severally, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any client or third party with respect to the authority, actions or inaction taken by the broker or authorized signer(s) in handling or dealing with the Account. Upon our request, the authorized signer(s) for this type of account will provide to us any documents required by applicable law and /or real estate professional rules.

**(I) Government/Municipal/Public Funds Accounts.** This type of account is owned by a government or public entity. For this type of account, you agree to provide us with authorization document(s) (in a form acceptable to us) stating that we are designated as a depository for the funds of the government or public entity and such documentation shall state the individual(s) authorized to act on behalf of the government or public entity and the extent of their authority. We may rely upon such documentation until we receive written notice of a change and new authorization documents. We are not responsible for any transaction conducted by a previously authorized individual until we actually receive written notice that the authorized individual's authority has been revoked. Unless specifically stated otherwise in the authorization document(s), we can rely on one authorization for all accounts owned by the government or public entity. If required by law, you agree to enter into a Collateral Security Agreement regarding this type of account.

**ASSIGNABILITY.** The account established under this Agreement is not assignable or transferable except with our consent. We must approve any pledge of the Account and any such pledge remains subject to any right we have under the Agreement and applicable state and federal law. If ownership is proposed to be transferred, we may require the Account be closed and a new account opened in the name of the transferee or pledgee.

**FINANCIAL INSTITUTION LIABILITY.** You agree that if we do not properly complete a transaction according to the Agreement, we will not be liable in any event for losses or damages in excess of the amount of the transaction, and we will not be liable if circumstances beyond our control prevent the transaction, or the funds in your Account are or may be subject to legal process or other claim. In no event will we be liable for consequential damages. In receiving items from you for withdrawal or deposit, we act only as your agent. You are responsible for the condition of a check or item when you issue it. If a check or item is returned or payment is delayed as a result of any writing or marking that you or a prior endorser placed on the front or back of the check or item, you will be responsible for any cost and liabilities associated with such return or delay. We reserve the right to refuse any item for deposit or to reverse credit for any deposited items or to charge your Account for items should they become lost in the collection process.

**RIGHT OF SETOFF.** Subject to applicable law, we may exercise our right of setoff or security interest against any and all of your Accounts (except IRA, HSA, Keogh plan and Trust Accounts) without notice, for any liability or debt of any of you, whether joint or individual, whether direct or contingent, whether now or hereafter existing, and whether arising from overdrafts, endorsements, guarantees, loans, attachments, garnishments, levies, attorneys' fees, or other obligations. If the Account is a joint or multiple-party account, each joint or multiple-party account holder authorizes us to exercise our right of setoff against any and all Accounts of each Account Holder. We may not exercise our right of setoff or security interest if prohibited by the Military Lending Act.

**DORMANT ACCOUNTS.** If you have not made a withdrawal from, or a deposit to, your Account for an extended period of time and we have been unable to contact you, your Account may be classified by us as dormant. Subject to applicable law, we may charge a dormant account fee on the Account, and the Account will be presumed to be abandoned. In accordance with state law, funds in abandoned accounts will be remitted to the custody of the applicable state agency, and we will have no further liability to you for such funds. We reserve the right not to send statements on accounts we consider dormant, subject to applicable law.

**ACCOUNT STATEMENTS.** You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. Each account statement will be considered to correctly reflect your transactions, such as deposits, withdrawals, credits, refunds, imposition of fees, interest or dividends, and other additions and subtractions to your Account, unless you notify us in writing within certain time limits after the statement that incorrectly reflects your transactions is made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within Thirty (30) calendar days after the statement and the altered or forged item(s) are made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within Ten (10) calendar days after the statement and first altered or forged items were made available. You must report any other Account problem including encoding errors, and errors involving additions or subtractions (debits and credits) not otherwise covered herein, including electronic transactions not covered by the Electronic Fund Transfer Act, within Thirty (30) calendar days. If the suspected account problem involves a substitute check that you receive, you may (under some circumstances) be entitled to make a claim for an expedited refund. Such a claim may be subject to different notification timeframes. See the Substitute Check Policy Disclosure (if applicable) for further information. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within Ten (10) calendar days. If we truncate your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

**WHOLESALE WIRE AND ACH TRANSACTIONS.** With respect to wire transfers or other transfers of funds not governed by the Electronic Funds Transfer Act, you agree to enter into and comply with our wire transfer (if applicable) agreement and to comply with our security procedures and this section. We advise you that any receiving financial institution (including us) is entitled to rely on any account or bank number you have provided even though that account or bank number may identify a party different from the person or entity you have described by name in any transfer order.

**(A) Provisional Payment.** Credit given by us to you with respect to an ACH credit or wholesale (wire) funds transfer entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to your Account in connection with such entry, and the party (the originator of the entry) making payment to you via such entry shall not be deemed to have paid you the amount of such entry.

**(B) Notice of Receipt.** We will notify you of the receipt of payments in the periodic account statements we provide to you. You acknowledge that we will not give next day notice to you of receipt of an ACH or wholesale (wire) funds transfer item.

**UNLAWFUL INTERNET GAMBLING TRANSACTIONS PROHIBITED.** If you are a commercial customer, you certify that you are not now engaged in, and during the life of this Agreement will not engage in, any activity or business that is unlawful under the Unlawful Internet Gambling Enforcement Act of 2006, 31 USC 5361, et seq., (the "UIGEA"). You may not use your Account or any other service we offer to receive any funds, transfer, credit, instrument or proceeds that arise out of a business that is unlawful under the UIGEA. You agree that if anyone asks us to process a transaction that we believe is restricted under the UIGEA, we may block the transaction and take any other action we deem to be reasonable under the UIGEA and this Agreement.

**NOTICES.** The following terms apply to notices relating to your Account. **(A) Notice of Amendments.** You agree that the terms and conditions of the Agreement, including without limitation all rates, fees, and charges, may be amended by us from time to time. We will notify you of amendments as required by applicable law. Your continued use of the Account evidences your agreement to any amendment. Notices will be sent to the most recent address shown on our records for your Account. Only one notice will be given in the case of joint account holders. **(B) Account Changes.** Any account holder or person authorized to sign on an account is required to notify us in writing if any account holder or other person authorized to sign on an account dies or is declared incompetent by a court. It is your responsibility to notify us of any change in your address or name. We are required to honor items drawn only on the listed Account name. Further, we are required to attempt to

communicate with you only at the most recent address provided to us.

**ACCOUNT TERMINATION.** You and we agree that either of us may close your Account and terminate this Agreement at any time with or without cause. We will provide written notice to you in advance if we decide to terminate your Account relationship for any reason other than abuse of the account relationship or to prevent a loss. You agree that advance written notice from us will be reasonable if it is mailed to your statement mailing address immediately upon account closure. You agree that in instances of account abuse or to prevent a loss, notice is reasonably given by us if mailed immediately upon account closure. You may close any of your accounts by notifying us in writing. We will consider your Account closed when we receive written instructions from the depositor or the depositors account balance remains overdrawn for a period of 60 days or more; or when your account remains at a zero (\$0.00) balance for more than 45 days. When an interest bearing account is closed, there may be accrued interest that has not been credited to the account. In that case, we will pay you the interest UNLESS we have told you otherwise. Further, for security reasons, we may require you to close your Account and to open a new account if: there is a change in authorized signers; there has been a forgery or fraud reported or committed involving your Account; any Account checks are lost or stolen; you have too many transfers from your Account; or, any other provision of our Agreement with you is violated. After the Account is closed, we have no obligation to accept deposits or pay any outstanding checks. You agree to hold us harmless for refusing to honor any check drawn on a closed account. In the event that we close your Account, we may mail you a Cashier's Check for the applicable remaining Account balance. The termination of this Agreement and closing of an account will not release you from any fees or other obligations incurred prior to the date upon which this Agreement is terminated and an account closed, any fees assessed by us in the process of closing an account, or from your responsibility to maintain sufficient funds in an account to cover any outstanding checks or other debit items.

**GOVERNING LAW.** This Agreement shall be governed by and construed in accordance with all applicable federal laws and all applicable substantive laws of the State of Oklahoma in which we are located and where you opened your account. In addition, we are subject to certain federal and state regulations and local clearing house rules governing the subject matter of the Agreement. You understand that we must comply with these laws, regulations, and rules. You agree that if there is any inconsistency between the terms of the Agreement and any applicable law, regulation, or rule, the terms of the Agreement will prevail to the extent any such law, regulation, or rule may be modified by agreement.

**SYSTEMS AND SOFTWARE.** We shall not be responsible to you for any loss or damages suffered by you as a result of the failure of systems and software used by you to interface with our systems or systems and software utilized by you to initiate or process banking transactions whether such transactions are initiated or processed directly with our systems or through a third party service provider. You acknowledge that you are solely responsible for the adequacy of systems and software utilized by you to process banking transactions and the ability of such systems and software to do so accurately.

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

**CREDIT VERIFICATION.** You authorize us to request and obtain one or more credit reports about you from one or more credit reporting agencies for the purposes of considering your application for the Account, reviewing or collecting any Account opened for you, or for any other legitimate business purpose. You authorize us to disclose information about your account to a credit reporting agency if your Account was closed because you have abused it.

**MISCELLANEOUS PROVISIONS.** If you or your Account becomes involved in any legal proceedings, your use of the Account may be restricted. You agree not to use the Account in any illegal activity. We shall be entitled to act upon any legal process served upon us which we reasonably believe to be binding, with no liability to you for doing so. You understand that supervisory personnel may randomly monitor customer service telephone conversations to ensure that you receive accurate, courteous, and fair treatment. If you ask us to follow instructions that we believe might expose us to any claim, liability, or damages, we may refuse to follow your instructions or may require a bond or other protection, including your agreement to indemnify us. You agree to be liable to us, to the extent permitted by law, for any loss, costs, or expenses that we may incur as a result of any dispute or legal proceeding involving your Account. You authorize us to deduct any such loss, costs, or expenses from your Account without prior notice to you or to bill you separately. This obligation includes disputes between you and us involving your Account and situations where we become involved in disputes between you and an authorized signer, a joint owner, or a third party claiming an interest in your Account. It also includes situations where any action taken on your Account by you, an authorized signer, a joint owner, or a third party causes us to seek the advice of an attorney, whether or not we actually become involved in a dispute. Any action by us for reimbursement from you for any costs or expenses may also be made against your estate, heirs and legal representatives, who shall be liable for any claims made against and expenses incurred by us. If a court finds any provision of the Agreement to be invalid or unenforceable, such finding shall not make the rest of the Agreement invalid or unenforceable. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of the Agreement in all other respects shall remain valid and enforceable.

**ARBITRATION AND WAIVER OF CLASS ACTION. PLEASE READ THIS PROVISION CAREFULLY, AS IT AFFECTS YOUR LEGAL RIGHTS.**

. You and the Bank agree that we shall attempt to informally settle any and all disputes arising out of, affecting, or relating to your deposit accounts, or the products or services that we have provided, will provide or have offered to provide to you, and/or any aspect of your deposit account relationship with us (hereafter referred to as the "Claims"). IF THAT CANNOT BE DONE, THEN YOU AGREE THAT ANY AND ALL CLAIMS THAT ARE THREATENED, MADE, FILED OR INITIATED AFTER THE EFFECTIVE DATE (defined below) OF THIS ARBITRATION AND WAIVER OF CLASS ACTION PROVISION ("ARBITRATION AGREEMENT"), EVEN IF THE CLAIMS ARISE OUT OF, AFFECT OR RELATE TO CONDUCT THAT OCCURRED PRIOR TO THE EFFECTIVE DATE, SHALL, AT THE ELECTION OF EITHER YOU OR US, BE RESOLVED BY BINDING ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION ("AAA") IN ACCORDANCE WITH ITS APPLICABLE RULES AND PROCEDURES FOR CONSUMER DISPUTES ("RULES"), WHETHER SUCH CLAIMS ARE IN CONTRACT, TORT, STATUTE, OR OTHERWISE. The Rules can be obtained on the AAA website free of charge at [www.adr.org](http://www.adr.org); or, by writing to AAA at 1633 Broadway, 10th Floor, New York, NY 10019. Either you or we may elect to resolve a particular Claim through arbitration, even if one of us has already initiated litigation in court related to the Claim, by: (a) making written demand for arbitration upon the other party, (b) initiating arbitration against the other party, or (c) filing a motion to compel arbitration in court. AS A RESULT, IF EITHER YOU OR WE ELECT TO RESOLVE A PARTICULAR CLAIM THROUGH ARBITRATION, YOU WILL GIVE UP YOUR RIGHT TO GO TO COURT TO ASSERT OR DEFEND YOUR RIGHTS. This Arbitration Agreement shall be interpreted and enforced in accordance with the Federal Arbitration Act set forth in Title 9 of the U.S. Code to the fullest extent possible, notwithstanding any state law to the contrary, regardless of the origin or nature of the Claims at issue. This Arbitration Agreement does not prevent you from submitting any issue relating to your accounts for review or consideration by a federal, state, or local governmental agency or entity, nor does it prevent such agency or entity from seeking relief on your behalf. This Arbitration Agreement shall not apply to: (1) claims that are (a) initiated in small claims court for the duration they remain in small claims court; or (b) claims that are transferred to small claims court for the duration they remain in small claims court; and (2) claims that arise out of or relate exclusively to any secured or unsecured loan

agreement you may have with us. Exclusion number (2) shall not include debit card agreements, which are subject to this Arbitration Agreement.

**Selection of Arbitrator.** The Claims shall be resolved by a single arbitrator. The arbitrator shall be selected in accordance with the Rules, and must have experience in the types of financial transactions at issue in the Claims. In the event of a conflict between the Rules and this Arbitration Agreement, this Arbitration Agreement shall supersede the conflicting Rules only to the extent of the inconsistency. If AAA is unavailable to resolve the Claims, and if you and we do not agree on a substitute forum, then you can select the forum for the resolution of the Claims.

**Effective Date.** This Arbitration Agreement is effective upon the 31st day after we provide it to you ("Effective Date"), unless you opt-out in accordance with the requirements of the RIGHT TO OPT-OUT provision below. If you receive your statements by mail, then the Arbitration Agreement was provided to you when it was mailed. If you receive your statements electronically, then it was provided to you when you were sent notice electronically.

**Arbitration Proceedings.** The arbitration shall be conducted within 50 miles of your residence at the time the arbitration is commenced. Matters that you and the Bank agree to arbitrate include, but are not limited to, disputes related to the following: the existence, scope, or validity of this Arbitration Agreement or the arbitrability of any claim or counterclaim; the Deposit Account Agreement and Disclosure, and any Claims as defined herein. Provided, however, the enforceability of the Class Action Waiver set forth below shall be determined exclusively by the Court. Any claims and defenses that can be asserted in court can be asserted in the arbitration. The Arbitrator shall be entitled to award the same remedies that a court can award, including any kind of injunctive relief that could be awarded by a court. Discovery shall be available for non-privileged information to the fullest extent permitted under the Rules. The Arbitrator shall not be permitted to make errors of law. The Arbitrator's award can be entered as a judgment in court. Except as provided in applicable statutes, and except with respect to an error of law, the arbitrator's award is not subject to review by the court and it cannot be appealed. We will pay for any filing, administration, and arbitrator fees imposed on you by the AAA or any other applicable arbitration forum. However, you will be responsible for your own attorneys' fees, unless you prevail on your Claim in the arbitration, in which case, we will pay your attorneys' fees. Conversely, if we prevail, then you will not be required to pay our attorneys' fees and costs. Nothing contained in this Arbitration Agreement shall prevent either you or us from applying to any court of competent jurisdiction for provisional prejudgment relief, such as a temporary restraining order, a temporary protective order, an attachment or any other pre-judgment remedies. Nor shall it preclude applicable self-help remedies, such as set-off and repossession.

Any determination as to whether this Arbitration Agreement is valid or enforceable in part or in its entirety shall be made solely by the arbitrator, including without limitation any issues relating to whether a Claim is subject to arbitration; provided, however, the enforceability of the Class Action Waiver set forth below shall be determined by the Court.

**Class Action Waiver.** ANY ARBITRATION OF A CLAIM SHALL BE ON AN INDIVIDUAL BASIS. YOU UNDERSTAND AND AGREE THAT YOU ARE WAIVING THE RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER IN A CLASS ACTION LAWSUIT.

**Severability.** In the event the Class Action Waiver in this Arbitration Agreement is found to be unenforceable for any reason, the remainder of this Arbitration Agreement shall also be unenforceable. If any provision in this Arbitration Agreement, other than the Class Action Waiver, is found to be unenforceable, then the remaining provisions shall remain fully enforceable.

**Right to Opt-Out.** You have the right to opt-out of this Arbitration Agreement and it will not affect any other terms and conditions of your relationship with us. To opt out, you must notify us in writing of your intent to do so within 30 days of the Effective Date (defined above). Your opt-out must be sent to us at PO Box 54639, Tulsa, OK 74155 within 30 days of the Effective Date. Your notice of intent to opt out can be a letter that is signed by you that states "I elect to opt out of the Arbitration Agreement" or any words to that effect.

**HOW TRANSACTIONS ARE POSTED TO YOUR ACCOUNT.** There are basically two types of transactions in your account: credits or deposits of money into your account, and debits or payments out of your account. It is important to understand how each is applied to your account so that you know how much money is available to you at any given time. This section explains generally how and when we post transactions to your account.

**Credits.** Most deposits are added to your account when we receive them. For some checks you deposit, only \$225 will be made available at the time of deposit; the balance will be available five (5) business days later. There may be extended holds on checks for other reasons. For details on the availability for withdrawal of your deposits, see the Funds Availability Disclosure.

**Debits.** There are several types of debit transactions. The most frequent types of debit transactions are described generally below. Keep in mind that there are many ways transactions are presented for posting to your account by merchants, and the bank is not necessarily in control of when transactions are received.

**Checks.** When you write a check, it is processed through the Federal Reserve system. We receive data files of cashed checks from the Federal Reserve each day. The checks drawn on your account are compiled from these data files and posted to your account each day. We process the payments by check number and then from low to high dollar value.

**ACH Payments.** We receive data files every day from the Federal Reserve with Automated Clearing House or ACH transactions. These include, for example, automatic bill pays you have signed up for. Each day, ACH transactions for your account are grouped together and posted in low to high dollar value.

**Point of Sale (POS) Debit Card PIN Transactions.** These are transactions where you use your debit card and you enter your PIN number at the time of the sale. They are similar to ATM withdrawals because money is usually deducted from your account immediately at the time of the transaction. However, some POS transactions are not presented for payment immediately; it depends on the merchant.

**Signature Debit Card Transactions.** These are transactions where you make a purchase with your debit card and you are typically asked to sign for the purchase. As described above, in these situations, the merchant may seek prior authorization for the transaction. When that happens, we generally place a temporary hold against the available funds in your account. We refer to this temporary hold as an "authorization hold," and the amount of the authorization hold will be subtracted from your available balance. Authorizations are deducted from your available balance but not your actual balance as they are received by us throughout each day. At some point after you sign

for the transaction, it is processed by the merchant and submitted to us for posting to your account. This can happen hours or sometimes days after you signed for it, depending on the merchant and its processing company. **Please note:** the amount of an authorization hold may differ from the actual payment because the final transaction amount may not yet be known to the merchant when the authorization request is submitted. For example, if you use your card at a restaurant, a hold will be placed in the amount of the bill presented to you, but when the transaction posts it will include any tip that you may have added to the bill. This may also be the case where you swipe your debit card at gas stations and hotels and other retail establishments. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment. The fact that we put an authorization hold on your available balance does not mean the authorization is set aside and made available to pay the specific transaction authorized. The hold is simply a reduction in your available balance based on the fact that we have authorized a transaction and the bank is therefore obligated to pay it when presented.

Debit card transactions can be recurring or nonrecurring. Recurring transactions are where you use your debit card to set up a recurring monthly payment, such as a gym membership. Nonrecurring transactions are one time transactions that are authorized each time you use your debit card. Using your debit card at a restaurant is an example of a one-time or nonrecurring transaction. We will rely on how the merchant characterizes the transaction for purposes of processing it and your only recourse for an improperly coded transaction is with the merchant who submitted it to us.

We generally pay these items in the following order: all credits, debit card transactions (including POS Debit Card PIN Transactions, Signature Debit Card Transactions and ATM Transactions), over the counter items, ACH Payments and Checks.

This is a general description of how certain types of transactions are posted. These practices may change and we reserve the right to pay items in any order we chose as permitted by law.

We may receive multiple deposit and withdrawal transactions on your account in many different forms throughout each business day. This means that you may be charged more than one service charge if we pay multiple transactions when your account is overdrawn.

**The best way to know how much money you have and avoid paying overdraft fees is to record and track all of your transactions closely.**
