Depending on the Account, the Digital Banking Services may allow you to, among other things, place stop payments, review your current and historical Account information, transfer funds between your Accounts, initiate external transfers, initiate bill payments through Vast Bank Bill Payment, and/or make deposits through Mobile Deposit Services. The

availability of each type of information or financial service to you is dependent upon the type or types of Vast Bank Accounts you maintain, the extent to which you have identified each of your Accounts on Vast Digital Banking, the extent to which Vast Bank offers a particular service with respect to an Account, and any applicable statutory or regulatory limitations and/or qualification requirements. The use of Vast Digital Banking does not affect the applicable minimum balance requirements of, monthly service charge fees of, or rates of interest payable on, any Vast Bank Account.

Except for eStatements (described below), any Transaction histories, Account balances, payments, and other information we provide to you through the Digital Banking Services are provided as a courtesy and for your convenience only. Information and data concerning Transaction histories, Account balances, payments and other information may be posted after a delay or may not be final. In the event of a conflict, the information in your official periodic statement (including any eStatement) will control.

To use the Digital Banking Services, you may be required to provide personal information to register and enroll. You agree to provide accurate information in your registration and not share your Vast Bank Digital banking password with third parties. You agree not to impersonate another person or to select or use a username or password of another person. You agree to notify Vast Bank (and Equifax, if utilizing MYCM) promptly of any unauthorized use of the Digital Banking Services and of any loss, theft, or disclosure of your Digital Banking password. Failure to comply with these requirements will constitute a breach of this Agreement and shall constitute grounds for termination of your Digital Banking Services.

To enroll and use My Credit Manager (“MYCM”), you must be a U.S. resident, including any of its territories, and have sufficient credit history in your credit file with Equifax® to generate a VantageScore® Credit Score and to provide credit report information. 5. SERVICE AVAILABILITY.

Vast Digital Banking is intended to be available each day of the year. However, it is necessary to interrupt service from time to time to perform periodic system and account maintenance. The maintenance periods may vary by geographic region due to different time zones. During these periods, customers generally will be notified of the maintenance activities by an information screen that is displayed when attempting to access Vast Digital Banking. Unforeseen technical difficulties may also interrupt service. Vast Bank is not responsible for account or payment deficiencies or other issues due to Vast Digital Banking system outages or interruptions. Any transaction that you initiated, was in the process of completing, or completed shortly before a system failure or interruption should be verified by you through means other than Digital banking to ensure the accuracy and completeness of such transaction. You assume the risk of loss of its data during any system failure or interruption and the responsibility to verify the accuracy and completeness of any transaction so affected.

6. INTERNET SECURITY INFORMATION.

From time to time, there may be security notices posted on Vast Bank's general website or the Vast Digital Banking website regarding security issues. It is your responsibility to read all applicable notices. One of the main security features guarding the use of Vast Digital Banking is the unique combination of your Vast Digital Banking ID and Password. It is important that you protect the security of your Vast Digital Banking ID and Password by keeping them secret. No one at Vast Bank has access to the Password associated with your Accounts. It is important that you **DO NOT SHARE YOUR PASSWORD WITH ANYONE FOR ANY REASON**. No one at Vast bank will know or need to know your Password, and Vast Bank employees will never ask for your Password. Vast Bank may, in its sole discretion, require additional or different security features and procedures from time to time. By entering into this Agreement and using Vast Digital Banking, you agree to protect the security of your Vast Digital Banking ID, Vast Digital Banking Password, and any other numbers, codes, marks, signs, keys, or other means of identification of you as a Vast Digital Banking user which may be devised or established from time to time.

Vast Bank reserves the right to block your access to Vast Digital Banking to maintain or restore security to Vast Bank's account information and data processing systems if Vast Bank reasonably believes your means of identification as a Vast Digital Banking user (including, but not limited to, your Vast Digital Banking Password, ID, or other Vast Digital Banking access codes) have been or may be obtained or are being used or may be used by an unauthorized person or persons. Except as otherwise required by Regulation E or other applicable law, you are liable and responsible for all Transactions made through Vast Digital Banking using your means of identification, whether those Transactions are made by you or any person you authorize, permit or enable to have your means of

identification (even if the person exceeds your authority), or by any person who obtains through you, by whatever means, your means of identification. If you have given someone your means of identification and wish to terminate their authority, or if you know or believe that your means of identification has been or is otherwise compromised, you must notify Vast Bank immediately so that Vast Bank can take the necessary steps to change the means of identification. You agree to defend, hold harmless, and indemnify Vast Bank from and against any and all claims of any nature (including, but not limited to, reasonable attorneys' fees) arising out of any such access by a person you have authorized, permitted or enabled to have access to your Vast Bank Accounts via Vast Digital Banking or, subject to limitations described elsewhere in this Agreement or as provided in applicable law or system rules, any persons that obtain your means of identification (other than through Vast Bank's negligence), including any person who obtains through you, by whatever means, your means of identification and/or your violation of these terms and conditions or the rights of any third party (including, but not limited to, privacy rights). Your obligations under this paragraph shall survive termination of these terms and conditions.

7. REGISTRATION PROCESS.

In order to obtain and use Vast Digital Banking, you must complete our initial registration process. The Vast Digital Banking registration process involves completing an application including information we will need to make Vast Digital Banking available to you. The Bank may verify the information you submit on the application for accuracy and authorization to access your Accounts. As part of this verification process, we may, and you authorize us to, verify your identity by obtaining information about your credit history from a consumer reporting agency. If we verify your identity in this way, Vast Bank and our service provider will obtain and use your credit information only in accordance with the Fair Credit Reporting Act ("FCRA") and other applicable laws. Vast Bank will use this information to provide you with the Digital Banking Services, to market other products from time to time and to prefill and facilitate applications for products and services. We reserve the right to deny you access to Vast Digital Banking if we cannot verify your identity or other necessary information. We may approve or decline your application for Vast Digital Banking based upon our review of your credit report, along with other information we deem relevant. If we deny your request to use Vast Digital Banking, you may obtain a free copy of the credit report that we used (if applicable) from the consumer reporting agency that issued the report.

In addition to the right to obtain a credit report, Vast Bank and our service providers reserve the right to obtain such additional information as we deem reasonably necessary to ensure that you, or persons to whom you may transfer funds, are not using the Vast Digital Banking service in violation of law, including, but not limited to, laws, rules, and regulations designed to prevent money laundering or the transfer of funds to or from persons or organizations whose accounts are blocked under regulations of the Office of Foreign Asset Control ("OFAC") of the United States Treasury Department.

8. LOG-ON SECURITY.

As noted in Section 6 of this Agreement, security is very important to Vast Digital Banking. Prior to activation of your Vast Digital Banking service, Vast Bank will verify your identity and authorization to obtain information and conduct Transactions on the Accounts you have requested us to include in your Vast Digital Banking service. You may receive a unique Vast Digital Banking ID and Vast Digital Banking Password from us or establish a Vast Digital Banking ID and Vast Digital Banking Password during enrollment. After your initial sign-on to Vast Digital Banking, you may be prompted by Vast Digital Banking to change your Password. We may, at our option and in our sole discretion, require you to take additional steps to authenticate yourself, or use additional tools or devices, in order to access the Digital Banking Services.

To help prevent unauthorized access to Vast Digital Banking and ensure the security of your Accounts, we may end your Vast Digital Banking session if we have detected no activity for a short period of time (e.g., ten (10) minutes).

Because your Vast Digital Banking ID and Vast Digital Banking Password and/or passcode, and any other security or access device or tool we provide, is used to access your Accounts, you should treat them as you would any other sensitive personal data. You should carefully select a Vast Digital Banking Password and passcode that is difficult to guess. Keep your Vast Digital Banking Password and passcode safe. You may change your password and passcode from the applicable menu function at any time as often as you like after you log on to Vast Digital Banking.

You are responsible for (i) maintaining the confidentiality and security of all devices you use to access Vast Digital Banking, your Vast Digital Banking ID and Vast Digital Banking Password, any security question(s) and associated answer(s), Account number(s), and any other security or access information, used by you to access or use Vast Digital Banking (collectively, "Access Information"), and (ii) preventing unauthorized access to or use of the information, files or data that you store, transmit or use in or with the Digital Banking Services. You will be responsible for all electronic communications, including image transmissions, text message, email and other data ("Communications") entered using the Access Information. Any Communications received through the use of the Access Information will be deemed to be sent or authorized by you. You agree to immediately notify Vast Bank if you become aware of any loss, theft or unauthorized use of any Access Information, including your mobile devices. Vast Bank reserves the right to deny you access to the Digital Banking Services (or any part thereof) if Vast Bank believes that any loss, theft or unauthorized use of Access Information has occurred.

9. ACCOUNTS

You may access one or more Account(s) of which you are either an owner or, for business or commercial Accounts only, an authorized signer or otherwise authorized to access Vast Digital Banking on behalf of the Account owner, through Vast Digital Banking. If you desire services that allow you to initiate payments or transfers from the Account, you will need required withdrawal authority over the Account to be able to complete the Transaction. By using Vast Digital Banking, you agree to

maintain one or more Accounts with us and to keep sufficient balances in your Account or Accounts to cover any Transactions and fees that are ultimately approved by or related to Vast Digital Banking. If an Account included in your Vast Digital Banking access is jointly held or has multiple signers, you agree that any and all use of your Vast Digital Banking ID and Password to obtain information concerning the Account and initiate Transactions on the Account is authorized, unless we have been notified (and have had a reasonable opportunity to act upon such notification) to cancel your Vast Digital Banking service in writing or to remove the jointly held or multiple signer Account from the Vast Digital Banking service.

When you instruct Vast Bank to transfer funds between or among your Accounts through Vast Digital Banking, you authorize Vast Bank to withdraw the necessary funds from the Account you designate. As with any funds transfer request, whether or not utilizing Vast Digital Banking, you agree that you will instruct Vast Bank to make a withdrawal only when a sufficient balance is or will be available in your designated Account at the time of the withdrawal. Vast Bank will not be obligated to act on any withdrawal instruction from you if sufficient funds, including any overdraft lines of credit previously established for you, are not available in the Account you designate.

If you use Vast Digital Banking to access an Account that requires more than one signature to authorize an Electronic Funds Transfer or to write a check or complete another Transaction, or your Account is subject to dollar or Transaction limits, Vast Bank will not monitor or restrict those aspects of those Accounts in relation to your use of Vast Digital Banking. When such a restricted Account is accessed, the authorized signers are jointly responsible for all Transactions that occur in the Account, whether performed by a single authorized party and whether the restrictions are violated or not. This provision shall supersede any contrary or conflicting provisions in your Account Documentation. You may remove a restricted Account from your Vast Digital Banking service.

10. eSTATEMENTS

We may make periodic statements for certain Accounts (“eStatements”) available to you from time to time. eStatements may also include any notices or disclosures we provide to you either with periodic statements or separately. If you enroll in Digital Banking Services, you may enroll your Accounts in eStatements. eStatements can be viewed by any owner enrolled in the Digital Banking Services.

You will receive an email notification for each eStatement that we post Digital. You will be able to access the eStatement through Vast Digital Banking. You will need to ensure that your computer hardware and software meets the requirements that have previously been disclosed to you in order to view, print, and/or save your eStatements.

If available, your eStatements will be available to you through the Digital Banking Services for a minimum of twelve (12) months. By selecting certain options, you are able to retrieve text pages of your statements for a maximum of six (6) months, and check and deposit images will be available Digital for a maximum of forty-five (45) days. We may, at our option, make historical statements prior

to your enrollment available. After the above periods of time, you will continue to have the option to request copies of historical statements by contacting us at (918)495-1700, for which fees may apply; please refer to the Account Documentation for details. If you wish to receive a paper copy of a disclosure or other information presented to you electronically, you may contact us by phone at (918)495-1700 or by email at info@vast.bank. Fees may apply for a paper copy.

We will use our best efforts to deliver your eStatements in a timely manner and in accordance with any applicable time required by law. However, we shall incur no liability if we are unable to deliver your eStatements because of the existence of any one or more of the following circumstances:

- a. Our website or Digital Banking Service is not working properly, and you know or have been advised by us of the malfunction; or
- b. Circumstances beyond our control (such as, but not limited to, fire, flood, interruption in telephone service or other communication lines, interference from an outside force, legal restriction or delays in mail service) prevent proper delivery and we have taken reasonable precautions to avoid those circumstances.

You must promptly access/review your eStatement and any accompanying items and notify us in writing immediately of any error, unauthorized Transaction, or any other irregularity. If you allow someone else to access your eStatement, you are still fully responsible to review the eStatement for any errors, unauthorized Transactions or any other irregularities. Any applicable time periods within which you must notify us of any errors on your Account statement(s) shall begin on the eStatement notification date regardless of when you access and/or review your eStatement. If you do not immediately report to Vast Bank any non-receipt of eStatements or any error, irregularity, discrepancies, claims or unauthorized debits or items, to the fullest extent permitted by applicable law, you shall be deemed conclusively to have accepted all matters contained in the eStatements to be true, accurate and correct in all respects.

At any time, you can change the delivery method by going to the eStatements icon in Digital Banking Services, clicking on “Sign Up/Changes”, and removing the checkmark from the All Account box or remove the checkmark from the Account(s) you want to remove from eStatements. When you change your settings, the change to paper delivery will take place on the next statement cycle. Please refer to your Account Documentation for potential charges related to paper delivery.

You understand and agree that by requesting electronic delivery, you will NOT receive statements, notices or documents in paper form delivered by regular United States Postal Service mail unless you specifically discontinue the eStatement service. By selecting “I Agree” when enrolling, you choose to receive the following information electronically: periodic statements; annual percentage yields; fees and other terms of our deposit accounts; and change-in-terms notices. To receive your statements electronically, you will need access to a computer that satisfies the minimum browser requirements for Digital banking. To determine if your computer satisfies those requirements, you will need to follow the instructions provided

when you enroll. Additionally, you will need access to a printer or the ability to download and archive the document to your computer in order to keep copies for your records. You agree that electronic delivery will satisfy Vast Bank's requirement to provide you a periodic statement of your Account(s). Your consent shall remain valid until such time as you exercise your right to revoke this consent.

Vast Bank retains the right to discontinue this service at any time. Your eStatement service may be discontinued, at our option and in our sole discretion, if the email notice is returned undeliverable for any reason. Should your eStatement service be discontinued, Vast Bank will resume the paper delivery of your statement, notices and documents via the United States Postal Service.

11. FEES FOR VAST Digital BANKING.

Fees for the Digital Banking Services, including Vast Bank Bill Payment, are set forth in the current fee schedule. The fee schedule may be updated by Vast Bank from time to time. If required by applicable law, Vast Bank will notify you of any changes to the fee schedule. To obtain a fee schedule you may contact us at 844-825-5399.

12. CANCELLATION OF VAST Digital BANKING SERVICE.

Your Vast Digital Banking service may be canceled in whole or in part by Vast Bank at any time without prior notice for any reason, including, but not limited to, insufficient funds in one or more of your Accounts or other circumstances that may create an unanticipated liability to Vast Bank. The Bank will use commercially reasonable measures to notify you in advance of such cancellation but is not obligated to do so. You understand and agree that such action is reasonable to protect Vast Bank from loss.

After such cancellation by Vast Bank for insufficient funds, Vast Bank may reinstate your Vast Digital Banking service once sufficient funds are available in your Accounts to cover any fees and other pending Transactions or debits. You may request reinstatement of Vast Digital Banking service after such cancellation by calling Vast Bank at (918)495-1700. Vast Bank reserves the right, in its sole discretion, to refuse to reinstate Vast Digital Banking service if canceled by Vast Bank.

You may cancel your Vast Digital Banking service at any time by notifying Vast Bank by mail at P.O. Box 54639, Tulsa, OK 74155. In the event of cancellation of your Vast Digital Banking service by either you or Vast Bank, you will remain responsible for all Transactions approved by Vast Bank through Vast Digital Banking prior to the cancellation, together with any other fees associated with the Vast Digital Banking service.

13. BALANCE INQUIRIES, BILL PAYMENT AND FUNDS TRANSFER LIMITATIONS.

You may use Vast Digital Banking to check the balance of your Accounts and to transfer funds among your Accounts. There are no limits to the number of transfers or bill payments which can be made

from any demand deposit account (collectively referred to as “Checking Account”). Vast Bank’s Bill Payment service is currently available for use only with Vast Bank Checking Accounts.

The balances in your Accounts shown by Vast Digital Banking may include deposits still subject to verification by Vast Bank. The Account balances shown by Vast Digital Banking may also differ from your records due to deposits in progress, outstanding checks or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. If you have further questions, contact Vast Bank’s Digital Banking Department.

The Account balances shown by Vast Digital Banking are updated periodically. There may be situations that cause a delay in an update of your balances. Vast Digital Banking will use the most current balance available in Vast Bank’s primary computer records at the time of a Transaction request in determining whether to approve the request.

A Transfer may not be completed if we believe it is not genuine, conflicts with another instruction or relates to funds or an Account over which there is a dispute or restriction on withdrawal or if we suspect the transfer in question results from a breach in the confidentiality of a Security Procedure or relates to an Account or service that we suspect is being used for, or is the target of, fraudulent or illegal activity.

Special Information about Stop Payment Services. Generally, requests received via Vast Digital Banking will be processed within one (1) Business Day, using procedures that would handle similar requests received by mail. If urgent action is required, we recommend that you contact Vast Bank directly by telephone or in person.

Additional terms of acceptance or disclosures may apply on the Stop Payment service and these terms will be disclosed at the time you complete the request on Vast Digital Banking. The Stop Payment feature is designed to submit a request to stop payment on checks you have written. There may be additional fees associated with this service. The Stop Payment service is not available to cancel electronic payments. If you have a problem or need to cancel an electronic payment, you will need to contact Vast Bank at (918)495-1700 or Toll-Free at (844)825-5399.

14. EXTERNAL TRANSFERS

The Digital Banking Services available to you may include the ability to engage in external transfers (“ET Service”). You understand and agree that by entering into this Agreement, you consent to terms set forth herein with respect to the ET Service and if you do not agree to these terms specific to the ET Service, you should not use the ET Service. This ET Service allows you to transfer funds between your deposit Accounts and loans at Vast Bank and certain deposit accounts at other financial institutions. You will need to enroll each of your non-Vast Bank accounts that you wish to use for this ET Service. You agree that you will only attempt to enroll accounts for which you have the authority to transfer funds. All accounts requested to be used as part of this ET Service will be verified in accordance with Vast Bank’s procedures. The verification process must be completed by you prior

to using the ET Service. You will have a defined number of days, as defined in Vast Digital Banking, after enrolling an account to complete the verification process. Verification instructions are displayed to you during the enrollment process.

Unless displayed otherwise on the ET Service screens, funds requested to be transferred from your Vast Bank Account will be debited from your Vast Bank Account on the Business Day you initiate the transfer, provided you have met the cutoff time for submitting external transfers. Funds requested to be transferred to your Vast Bank Account will be credited to your Vast Bank Account within three (3) Business Days following the day you initiate the transfer, provided you have met the cutoff time for submitting external transfers. Funds requested to be transferred to your Vast Bank loan will be credited to your loan on the effective date of the transfer, which shall be no earlier than the Business Day following the day you initiate the transfer, provided you have met the cutoff time for submitting external transfers. In the case of a future dated or recurring transfer, these time limits will be the Business Day following the scheduled date of the transfer. The cutoff time for initiating transfers is 5:00pm Central Time. Funds requested to be transferred will be debited/credited to the non-Vast Bank account according to the receiving bank's availability and Transaction processing schedule.

Request for immediate transfers of funds cannot be cancelled. Future dated and recurring transfers can be canceled by 5:00pm Central Time the day prior to the scheduled transfer date. If the transfer status is "In Process," "Pending," or "Processed," you cannot cancel the transfer.

Fees may be charged according to the Vast Digital Banking Service Charge Schedule. Transfers are subject to number and dollar limits, at Vast Bank's discretion, unless otherwise agreed upon by you and Vast Bank. Limits will apply to the total of all external transfers of a specific type for all Accounts enrolled in the ET Service. Vast Bank may change your dollar limits and transfer limits at any time.

15. VAST BANK BILL PAYMENT SERVICE.

Your daily limit for the total dollar amount of bill payments approved is governed by the daily available balance reflected in Vast Bank's records for the checking Account you elect to use for making the payments. You can withdraw up to the available balance shown for the Account, as long as this balance represents sufficient funds to cover the total payments you have requested. Each payment will normally be charged to your Account on the business date it is approved, together with any bill payment fees assessed by Vast Bank in accordance with the Vast Bank Digital Banking Service Charge Schedule.

If for any reason Vast Bank Bill Payment cannot make a scheduled bill payment due to insufficient funds in your checking Account, we may either refuse to honor the request or complete the Transaction and thereby overdraw the Account or transfer funds from an associated Account. In any event, you are responsible for any Insufficient Funds or incidental charges that we may impose per the applicable Account agreement.

Although bill payments may be scheduled for the current Business Day or any date in the future at any time, they will only be processed once a day at 2:00pm Central Time. If you attempt to schedule a payment for the same Business Day after 2:00pm Central Time, the payment will be processed the following Business Day. Anything scheduled on a non-Business Day, will be processed the Business Day prior to the non-Business Day.

Because we must forward the funds and billing information to the payee, some lead-time for payments is necessary. The minimum time frame you should allow between the initiation of each payment and the date on which the payment is due will generally be determined by the way in which the payment is to be sent to the payee. If we send a paper check through the U.S. Postal Service, we suggest that the payment should be initiated at least ten (10) Business Days prior to the Business Day on which the payee is to receive the payment for processing at its address. If we send an electronic payment, we believe sufficient lead-time for initiating the payment will be four (4) Business Days prior to the date on which the payee is to receive the payment.

Special Information Regarding Canceling or Changing a Payment. To cancel or change a scheduled payment, the request must be submitted before the 2:00pm Central Time processing time on the scheduled payment date. Otherwise, the payment will be processed according to its instructions at 2:00pm Central Time on the scheduled payment date.

16. THE BANK'S LIABILITY FOR INCOMPLETE TRANSACTIONS.

It is Vast Bank's responsibility to process and complete all payments and transfers properly initiated through Vast Digital Banking in accordance with this Agreement. We will be liable pursuant to applicable laws, rules, and regulations for damages, as provided in this Agreement, where Vast does not complete a Transaction to or from an Account in the correct amount or causes a payment delay or fails to process a payment to be received by a payee/vendor by the tenth (10th) Business Day following the date on which your Account was charged for the payment. Funds transfers will be processed within two (2) Business Days of your completion of the funds transfer Transaction in Vast Digital Banking.

NOTWITHSTANDING THE FOREGOING, VAST WILL NOT BE LIABLE IF A TRANSACTION IS NOT COMPLETED DUE TO ANY OF THE FOLLOWING:

- a. The available balance in your Account that is to fund the bill payment or funds transfer is insufficient at the time that Vast Digital Banking attempts to complete the Transaction;
- b. Funds in your Account are subject to legal process or other encumbrances restricting the bill payment or funds transfer;
- c. You had knowledge of or questions about the possible malfunction of Vast Digital Banking or Vast Bank's main computer system when you initiated the Transaction;

- d. The failure of Vast Digital Banking to complete the bill payment or funds transfer was not intentional and resulted from a bona fide error, notwithstanding the maintenance of procedures reasonably designed and adapted to avoid any such error;
- e. Any information you provide is incorrect;
- f. We suspect fraudulent or illegal activity with respect to the requested Transaction or your Account;
- g. There are any delays by any other parties;
- h. Natural disasters (e.g., fire, flood, tornado, etc.) or other uncontrollable circumstances (e.g., mail delays, power failures, civil disobedience, etc.) prevent proper completion of the Transaction despite reasonable precautions we have taken;
- i. Other applicable laws, rules, and/or regulations exempt Vast from liability;
- j. It can be shown, with regard to bill payment, that the merchant or Payee received the payment within Vast Digital Banking's normal delivery time frame and failed to process the payment through no fault of Vast Bank or its service providers;
- k. It can be shown that any delay may have been caused by a malfunction in communications facilities not under Vast Bank's control that may have affected the accuracy or timeliness of a bill payment or funds transfer;
- l. It can be shown that a delay may have been caused by a malfunction in your Internet service provider or browser software, or by a computer virus or related problem which may be attributable to your Internet service provider, your use of the Internet, or your use of any computer software or external storage device; or
- m. If a delay causes you no losses or damages which you could prove in a court of appropriate jurisdiction.

17. NOTICE OF YOUR RIGHTS AND LIABILITIES.

Notify Vast Bank immediately if your Vast Digital Banking ID, Password, or other credentials have been compromised, lost, stolen, or used without your authorization. Failure to notify us immediately could result in your loss of all funds accessible through your Vast Digital Banking Password. Telephoning us at (918)495-1700 is the best way of limiting your possible loss. You could lose all the money in your Accounts, plus the full amount of any pre-approved overdraft line of credit or overdraft privilege, if you have one. Please refer to the Rules and to the Account Documentation for important information about your rights and responsibilities regarding unauthorized transfers.

You may terminate any agreement authorizing funds transfers to or from your Account by written notice to either the person or company initiating the transfer and Vast Bank. Only funds transfers scheduled to occur after Vast Bank receives your notification are affected. Your written notice must

be received by Vast Bank with enough time so that both Vast Bank and the other person or company have a reasonable opportunity to act on your request.

18. ELECTRONIC FUNDS TRANSFER PROVISIONS INCLUDING ERRORS AND QUESTIONS (CONSUMER CUSTOMERS).

(a) Applicability

The provisions in this Section apply only to electronic funds transfers (“EFTs”) that debit or credit a Consumer’s checking, savings or other Account and are subject to Regulation E (12 C.F.R. Part 205). ***This Section does not apply to business or commercial Accounts.***

When applicable, we may rely on any exceptions to the provisions in this Section that are covered in Regulation E. All terms in this Section not defined in this Agreement but defined in Regulation E will have the meaning given in Regulation E.

(b) Your Liability

Except for EFTs to or from brokerage accounts, your liability for an unauthorized EFT or a series of related unauthorized EFTs will be determined as follows:

- If you notify us within two (2) Business Days after learning of the loss or theft of your password, your liability will not exceed \$50 or the amount of unauthorized EFTs that occur before notice to us, whichever is less.
- If you notify us more than two (2) Business Days after learning of the loss or theft of your password, your liability will not exceed the lesser of \$500 or the sum of (i) \$50 or the amount of unauthorized EFTs that occur within the two (2) Business Days, whichever is less, and (ii) the amount of unauthorized EFTs that occur after the close of two (2) Business Days and before notice to us (provided that we establish that these EFTs would not have occurred had you notified us within the two (2) Business Day period).

To avoid liability for subsequent transfers, you must report unauthorized EFTs that appear on a periodic statement within sixty (60) days of our transmittal of the statement. If you do not, your liability will not exceed the amount of the unauthorized EFTs that occur after the close of the sixty (60) days and before notice to us, and that we establish would not have occurred had you notified us within the sixty (60)-day period. You may also be liable for the amounts described above.

If your delay in notifying us was due to extenuating circumstances, we may extend the times specified in the immediately preceding paragraphs to a reasonable period.

(c) Errors/Unauthorized Electronic Funds Transfers/Questions

In cases of errors or questions concerning EFTs completed with Vast Digital Banking, do one of the following, as soon as possible:

Telephone Vast Bank at (918)495-1700;

or

Write to Vast Bank at P.O. Box 54639, Tulsa, OK 74155;

or

Initiate a payment inquiry through Vast Digital Banking.

We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared. Please include the following information:

- Your name;
- Last four digits of your Account Number and Vast Digital Banking ID;
- Description of the error or what you are unsure about, plus an explanation of why you believe it is an error or why you need more information;
- The dollar amount of the error; and
- If the error or question relates to Vast Bank Bill Payment, include the following additional information:
 - Last four digits of your Account number of the Vast Bank checking Account used to pay the bill;
 - The payee name;
 - The date the payment was sent;
 - The confirmation number for the payment received through Vast Digital Banking;
 - The payment amount; and
 - Last four digits of your Account number with the payee for the payment in question.

If you report a problem by phone, we may need you to submit your complaint or question in writing within ten (10) Business Days. We will determine whether an error occurred within ten (10) Business Days after we hear from you and will promptly correct any error and report the results of our investigation within three (3) Business Days after completing the investigation. If we need more time to conduct our investigation, we will notify you of our need for an extension of up to forty-five (45) days. If we decide to do this, we will provisionally credit your Account within ten (10) Business Days for the amount you think is in error, so you can use the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and do not receive it within ten (10) Business Days, we may not provisionally credit your Account.

For errors involving new Accounts, point-of-sale or foreign-initiated Transactions, our investigation may take up to ninety (90) calendar days. For new Accounts, we may take up to twenty (20) Business Days to provisionally credit your Account for the amount you think is in error. We will tell you the results within three (3) Business Days after completing our investigation.

If we decide that no error occurred, we will send you an explanation within three (3) Business Days after the conclusion of our investigation. You can ask for copies of the documents that we used in the investigation.

(d) Changes to Debit Amounts

If you authorize a person to regularly debit your Account, and the amount varies from the previous amount debited, he/she must tell you, at least ten (10) days before each debit, when the debit will be made and how much it will be.

(e) Stop Payment Orders for Pre-authorized Electronic Funds Transfers

To place a stop payment order on preauthorized EFTs, call us at the number listed on the statement for your Account or at the number above, at least three (3) Business Days before the scheduled transfer date. We'll need:

- Your name and the Account number associated with the transfer;
- The exact name of the payee;
- The exact payment amount; and
- The scheduled transfer date.

If you do not provide correct and complete information, we may not be able to stop payment of the preauthorized EFT. If we pay a preauthorized EFT despite a valid stop payment order, we may require you to provide us with an affidavit describing in detail the dispute.

PREAUTHORIZED PAYMENTS

Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your Account, you can stop any of these payments. Here's how:

Call us at the number above, or write us at the address above, in time for us to receive your request three (3) Business Days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. You may be charged a fee for placing a stop payment. Please refer to the schedule of fees.

Notice of varying amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain

amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments three (3) Business Days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

(f) Acknowledgments and Agreements

You agree to indemnify and hold us harmless from and against any loss incurred by us if we do not pay a preauthorized EFT because:

- Any of the information relied upon in the stop payment order is incorrect or incomplete; or
- A valid stop payment order is in effect.

19. MOBILE DEPOSITS.

The following provisions apply to your use of the mobile deposit services within Vast Digital Banking (“Mobile Deposit Services”). For consumer customers, the Mobile Deposit Services are provided to you at no charge. However, for all customers, mobile deposits to an Account count towards any deposit limits or “excess deposit” fees applicable to that Account – exceeding those deposit limits or creating excess deposits may result in fees or charges. See the fee schedules that apply to your Account(s).

To use the Mobile Deposit Services, you must have a supported mobile device (e.g., smartphone, tablet, etc.) with a supported camera and a supported operating system, and access to the Internet. You must also download our Mobile App to your mobile device. Vast Bank does not guarantee that your particular mobile device, mobile device camera, mobile device operating system or mobile carrier will be compatible with the Mobile Deposit Services.

We may, at our option, automatically enroll one or more of your Accounts for Mobile Deposit Services. We may also, at our option, suspend or terminate your enrollment in Mobile Deposit Services with respect to one or more Accounts, in our sole discretion. We will provide you with notice of any such notice or suspension as required by applicable law.

When using the Mobile Deposit Services, you may experience technical or other difficulties. Vast Bank does not assume responsibility for any such difficulties or any resulting damages that you may incur. For security reasons, the Mobile Deposit Services have qualification requirements, and Vast Bank reserves the right to change the qualifications at any time without prior notice. Vast Bank reserves the right to change, suspend or discontinue the Mobile Deposit Services, in whole or in part, or your use of the Mobile Deposit Services, in whole or in part, immediately and at any time without prior notice to you. Vast Bank reserves the right to limit the number of mobile devices through which you may access the Mobile Deposit Services.

Except as expressly provided herein, deposits made through the Mobile Deposit Services are subject to all limitations and terms set forth in the Account Documentation, including, but not limited to, those related to deposit acceptance, crediting, collection, endorsement, processing order and errors.

You agree to scan and transmit only checks as that term is defined in Federal Reserve Regulation CC, 12 C.F.R. Part 229 (“Reg CC”).

You agree that the image of the check transmitted to Vast Bank shall be deemed an “item” within the meaning of Article 4 of the applicable Uniform Commercial Code. You agree that you will not use the Mobile Deposit Services to scan and deposit any of the following checks or other items: (i) checks or items payable to any person or entity other than you, or to you and another party; (ii) checks or items containing alteration to any of the fields on the front of the check or item (including the MICR line), or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn; (iii) checks or items previously converted to a substitute check, as defined in Reg CC; (iv) checks or items drawn on a financial institution located outside the United States; (v) checks or items that are remotely created checks, as defined in Reg CC; (vi) checks or items not payable in United States currency; (vii) checks or items issued by a US federal agency; and/or (viii) money orders, savings bonds or traveler’s checks.

Nothing herein will be construed as requiring Vast Bank to accept any check or item for deposit, even if Vast Bank has accepted that type of check or item previously. Nor shall Vast Bank be required to identify or reject any checks or items that you may scan and deposit that fail to meet the requirements herein.

The image of a check or item transmitted to Vast Bank using the Mobile Deposit Services must be legible. The image quality of the checks and items must comply with the standards established from time to time by the Board of Governors of the Federal Reserve Board or other federal regulatory agency, American National Standards Institute, or any higher standard set by us, and with any requirements set by any clearing house we use or agreement we have with respect to processing checks or items. You agree that Vast Bank shall not be liable for any damages resulting from a check or item’s poor image quality, including those related to rejection of or the delayed or improper crediting of such a check or item, or from any inaccurate information you supply regarding the check or item. You enter the amount of the check or item as a deposit is made through the Mobile Deposit Services. If Vast Bank determines that the check or item is for a different amount, Vast Bank may adjust the deposit amount and notify you of the adjustment.

Before transmission to Vast Bank, you agree that you will restrictively endorse any check or item transmitted through the Mobile Deposit Services as provided in this Agreement. You agree to follow any and all other procedures and instructions for use of the Mobile Deposit Services as Vast Bank may establish from time to time. You agree to supply any information in your possession that Vast

Bank requests regarding a check or item deposited or attempted to be deposited through the Mobile Deposit Services.

Vast Bank reserves the right to reject any check or item transmitted through the Mobile Deposit Services, at its discretion, without liability to you. Vast Bank is not responsible for checks or items it does not receive in accordance with the terms set forth herein or for images that are dropped or damaged during transmission. An image of a check or item shall be deemed received when you receive confirmation from Vast Bank that we have received the image.

Vast Bank reserves the right to impose limits on the amount(s) and/or number of deposits (over a period of time we establish) that you transmit using the Mobile Deposit Services and to modify such limits from time to time. Limits we establish will apply to all checks and/or items deposited via Mobile Deposit Services and may be imposed generally or specifically with respect to your Accounts. If we set specific limits for your Accounts, we will give you notice of such limits as required by applicable law. In the event that you exceed any such limits, we may place a hold on one or more of your deposits – this may include any check or item you deposit using Mobile Deposit Services, including without limitation treasury checks, cashier's checks, official checks, and postal or other money orders.

You acknowledge that funds deposited remotely using Mobile Deposit Services (“Mobile Deposits”) are not subject to the funds availability requirements of Reg CC. Mobile Deposits will generally be available the Next Business Day. However, we will impose a hold on any item if (and to the extent) the amount of the item exceeds one-third of your monthly Mobile Deposit limit. Tap “Deposit Limits” within the Mobile App to view your monthly Mobile Deposit limit. Any funds held will generally not be available until the third Business Day after the day of your deposit. The Business Day Cutoff Time for Mobile Deposit Services is 6:00 p.m. CT. Mobile Deposits made after the Business Day Cutoff Time or on a day that is not a Business Day are considered made the next Business Day.

In addition to the holds previously described, in some other cases, we may delay the availability of Mobile Deposits for a longer period. For example, Mobile Deposits may be delayed for a longer period when we believe the Mobile Deposit will not be paid; you make a Mobile Deposit that has previously been returned unpaid; you have overdrawn your Account repeatedly in the last six months; or there is an emergency, such as a failure of computer or communications equipment. In such cases, we will notify you, and we will tell you when the funds will be available.

Vast Bank reserves the right to change the Business Day Cutoff Times for items deposited via Mobile Deposit Services at any time as permitted by law. Regardless of whether Vast Bank establishes later cutoff times for items deposited via Mobile Deposit Services, you understand and agree that checks and items must be received and accepted by Vast Bank before the applicable Business Day Cutoff Time and must not be incomplete, illegible or erroneous to be eligible for same-day crediting. This means you may not be able to make withdrawals against deposits made through the Mobile Deposit Services until the deposit has been posted to your Account.

After a check or item has posted to your Account, you agree to prominently mark the check or item as “Mobile Deposit Only-Vast Bank.” You agree never to re-present to Vast Bank or any other party a check or item that has been deposited through the Mobile Deposit Services unless Vast Bank notifies you that the check or item will not be accepted for deposit through the Mobile Deposit Services. You will promptly provide any check or item, or a sufficient copy of the front and back of the check or item, to Vast Bank as requested to aid in the clearing and collection process, to resolve claims by third parties with respect to any check or item, or for Vast Bank’s audit purposes. You agree to destroy or otherwise properly dispose of checks and items that have been accepted for deposit through the Mobile Deposit Services and have cleared to ensure that such checks and items are not re-presented for payment and, prior to disposal or destruction, to safeguard such checks and items.

The manner in which the checks and items are cleared, presented (or re-presented) for payment, and collected shall be in Vast Bank’s sole discretion as set forth herein.

You represent and warrant to Vast Bank that:

- a. You will only transmit eligible checks and items that you are entitled to endorse, and all checks and items will include all signatures required for their negotiation;
- b. Before transmission to Vast Bank, you agree that you will restrictively endorse the back of any check transmitted through the Mobile Deposit Services: “Mobile Deposit Only- Vast Bank” and, where available, by checking the box named “CHECK HERE IF MOBILE DEPOSIT”;
- c. You will transmit to us only eligible checks that are suitable for processing, including, but not limited to, checks that are legible and contain machine-readable MICR data;
- d. You will not transmit an image or images of the same check or item to us more than once and will not deposit or negotiate, or seek to deposit or negotiate, such check or item with any other party;
- e. You will not deposit or re-present the original check or item with Vast Bank or any other party;
- f. You will prominently mark the check or item as “Electronically Presented” after a check or item has posted to your Account and after transmitting the eligible check to us, you will retain the original paper checks for a minimum of seven (7) calendar days, but no longer than fourteen (14) calendar days, from the transmission date (the “Retention Period”), and you will retain and store the original paper checks in a secure and locked container that is only accessible by persons needing access to such paper checks, and finally during the Retention Period and upon our request, you agree to provide us with the original paper checks; once the Retention Period has expired, you will securely and irretrievably destroy original paper checks from which you have previously created and submitted to us through use of the Mobile Deposit Services;
- g. You will not store or make a back-up copy of any check;

- h. All information you provide to Vast Bank is accurate and true, including that all images transmitted to Vast Bank accurately reflect the front and back of the check or item at the time it was imaged;
- i. You will comply with this Agreement and all applicable laws, rules, and regulations and any and all other procedures and instructions for use of the Mobile Deposit Services as Vast Bank may establish from time to time;
- j. You will supply any information in your possession that Vast Bank requests regarding a check or item deposited or attempted to be deposited through the Mobile Deposit Services;
- k. You will use the Mobile Deposit Services only for your own deposits and will not allow the use of the Mobile Deposit Services by way of a service bureau business, timesharing, or otherwise disclose or allow use of the Mobile Deposit Services by or for the benefit of any third party; and
- l. By your utilization of the Mobile Deposit Services, you acknowledge that the third-party service provider of the Mobile App may have access to the nonpublic personal information transmitted by you through the Mobile App.

In addition to your other indemnification obligations as set forth herein, you agree to indemnify and hold harmless Vast Bank from any loss arising directly or indirectly from or related to any breach of this warranty provision or the terms relating to your use of the Mobile Deposit Services.

You understand that your use of the Mobile App and Mobile Deposit Services may be subject to your agreement to, and compliance with, certain third-party terms (e.g., Apple and/or Google) and that Vast Bank is not responsible for nor shall it be liable to you with respect to any such third-party terms.

Vast Bank reserves the right to terminate, modify, add and remove features from the Mobile Deposit Services at any time in Vast Bank's sole discretion. You may reject changes by discontinuing use of the Mobile Deposit Services. Your continued use of the Mobile Deposit Services will constitute your acceptance of and agreement to such changes. Maintenance to the Mobile Deposit Services may be performed from time-to-time resulting in interrupted service, delays or errors in the Mobile Deposit Services, and Vast Bank shall have no liability for any such interruptions, delays or errors. Attempts to provide prior notice of scheduled maintenance may be made, but Vast Bank cannot guarantee that such notice will be provided.

You may cancel the Mobile Deposit Services at any time by calling (844)825-5399 and allowing Vast Bank a reasonable opportunity to act upon your request. If you cancel, Vast Bank will not refund any portion of any fee assessed for any checks and items previously deposited via Mobile Deposit Services. Vast Bank will have no obligation to honor any instruction, in whole or in part, that (i) Vast Bank reasonably believes is used for any illegal or improper purpose or activity; (ii) Vast Bank has reason to believe may not be authorized by you; (iii) would violate any law, rule or regulation applicable to Vast Bank or the Mobile Deposit Services; (iv) is not in accordance with any other

requirement stated in this Agreement or any of Vast Bank's policies, procedures or practices; or (v) for Vast Bank's protection or yours, Vast Bank has reasonable cause not to honor. Vast Bank reserves the right to refuse to honor an instruction or suspend or terminate the Mobile Deposit Services, in whole or in part, at any time, with or without notice to you, with or without cause, including, without limitation, if: (a) Vast Bank has any reason to believe that your Account has been compromised or mismanaged in any way, such as by unauthorized or erroneous use of your Access Information; or (b) Vast Bank believes the Mobile Deposit Services are not being used for the intended, bona fide and lawful purposes under this Agreement; (c) Vast Bank has reason to believe the Mobile Deposit Services are being used in an anti-competitive manner or contrary to Vast Bank's business interests; (d) your Account is closed, access to your Account is restricted for any reason, or if you do not use the Mobile Deposit Services for a period of time; or (e) following initial enrollment you do not use the Mobile Deposit Services. Termination will not affect your liability or obligations under this Agreement or any other agreements you have with Vast Bank for actions that Vast Bank has taken on your behalf.

You agree that Vast Bank retains all ownership and proprietary rights in the Mobile Deposit Services, associated content, technology, and website(s). You agree not to copy, disassemble, decompile, or otherwise reverse engineer any part of the Mobile Deposit Services, including the Mobile App. You may use the Mobile Deposit Services only for your own benefit. You may not copy, reproduce, distribute or create derivative works from the content and agree not to reverse engineer or reverse compile any of the technology used to provide the Mobile Deposit Services. In the event that you attempt to use, copy, license, sublicense, sell or otherwise convey or to disclose the Mobile App or any other part of the Mobile Deposit Services, in any manner contrary to the terms of this Agreement, Vast Bank shall have, in addition to any other remedies available to us, the right to injunctive relief enjoining such actions.

VAST BANK IS ONLY RESPONSIBLE FOR PERFORMING THE MOBILE DEPOSIT SERVICES AS EXPRESSLY STATED HEREIN. THERE IS NO GUARANTEE THAT ACCESS TO THE MOBILE DEPOSIT SERVICES WILL BE AVAILABLE AT ALL TIMES, AND VAST BANK SHALL NOT BE LIABLE IF YOU ARE UNABLE TO ACCESS THE MOBILE DEPOSIT SERVICES. THE MOBILE DEPOSIT SERVICES ARE PROVIDED ON AN "AS-IS" "WHERE IS" AND "WHERE AVAILABLE" BASIS AND, EXCEPT AS PROHIBITED BY LAW, VAST BANK AND ITS THIRD-PARTY SERVICE PROVIDERS DISCLAIM ANY EXPRESS OR IMPLIED WARRANTIES CONCERNING THE MOBILE DEPOSIT SERVICES, MOBILE APP, EQUIPMENT OR SOFTWARE, INCLUDING, BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT OF ANY PARTIES' PROPRIETARY RIGHTS, AND ARE SUBJECT TO CHANGE AT ANY TIME WITHOUT NOTICE TO YOU.

You agree that you will not use the Mobile Deposit Services in locations that are prohibited under U.S. laws, rules, and regulations, including laws and regulations issued by the Office of Foreign Assets Control.

20. ALERT SERVICES.

Your enrollment in Vast Digital Banking includes access to receive certain alerts (“Alert Services”). By receiving or otherwise using these services, you agree to the following terms.

Alert Services may include the delivery of informational alerts or fraud alerts. You have the option to enroll to receive certain informational alerts within Vast Digital Banking but may receive alerts related to suspected fraudulent activity independent of your enrolled alerts. You agree that we may send alerts to you via text message through your mobile service provider, phone call, e-mail, or any other delivery method available to us based on the information we have in our records for you. Additionally, by providing us with a mobile phone number and/or selecting text message alerts, you certify that you are the mobile phone number subscriber or have permission from the subscriber to use the mobile phone number for Alert Services. You agree that you will immediately notify us if the phone number is changed or deactivated. Further, you agree to indemnify, defend, and hold us harmless from and against any and all claims, losses, liability, costs, and expenses, including reasonable attorneys' fees, arising from your provision of a phone number, e-mail address, or other delivery method that is not your own and for your violation of applicable federal, state or local law, regulation, or ordinance. Your obligation under this paragraph shall survive termination of this Agreement.

The Alert Services are provided for your convenience and are not an official record for your Account. We do not guarantee continuous, uninterrupted, or secure alerts. You understand that there may be a disruption in service if you change your mobile service provider and that Alert Services may be delayed or impacted by your Internet service provider, phone carrier, carrier coverage, and other factors. You also understand and agree that these alerts may not be encrypted and may include personal or confidential information about you such as Account activity or the status of your Account. We are not liable for losses or damages arising from disclosure of Account information to third parties, non-delivery, delayed delivery, misdirected delivery or mishandling of, or inaccurate content in, the alerts and messages sent.

There is no service fee for the Alerts Services; however, you are responsible for all costs incurred in relation to the Alert Services. Neither we nor Visa will be responsible for fees or costs you incur in receiving notifications through SMS messages to your mobile phone, the cost of obtaining a wireless carrier, an appropriate wireless data services plan, a compatible mobile device, and/or any SMS message fees charged by your mobile carrier. In addition, neither we nor Visa will be responsible for fees or costs you incur in receiving notifications through email, accessing a personal computer, Internet-enabled phone, or other device used to receive emails, and/or associated costs charged by your internet service provider. Message and data rates may apply. Message frequency depends on the preferences and settings you select. To cancel Alert Services and discontinue all other SMS messages, text STOP to the number from which you received the Alert Services, at any time. For help or information on the Alert Services, text HELP to the number from which you received the Alert Services. For additional assistance with Alert Services, you may contact us at (844)825-5399.

21. MYCM SERVICE

Vast Bank offers the My Credit Manager (“MYCM”) service to its digital banking customers. Customers will receive access to their credit report, credit score, credit alerts, credit score simulator and debt analysis. A description of MYCM services is set forth below:

VantageScore® Credit Score

The credit score provided is your VantageScore® Credit Score, which is a model created by the three major credit bureaus, Equifax, Equifax, and TransUnion. VantageScore® Credit Score predicts credit risk. Specifically, it measures the probability that a person will pay his or her debts on time. There are many different credit scores in the marketplace based on different models with different scoring ranges. The scores provided by MYCM are for educational/informational purposes only. You can view your VantageScore® Credit Score and MYCM as often as you like. It won’t impact your credit score. MYCM can only evaluate the account information that appears on your Equifax consumer credit report. Accounts not reported to or subsequently deleted from your Equifax consumer credit report will not be reflected in your score. MYCM does not maintain your credit report information and is not able to make any changes to it. Vast Bank is not responsible for inaccurate results, including any due to incorrect, incomplete, or outdated information in your credit report.

Credit Score Simulations

MYCM has features that estimate how certain changes in your credit behavior may impact your credit score. These features show how these changes may impact the credit score displayed on MYCM, which is the VantageScore® Credit Score. Simulated scores and score changes simulated by MYCM are only predicted estimates. Vast Bank does not guarantee that your actual credit score will change by the same amount, in the same way, or at all.

Credit Monitoring

Credit Monitoring keeps track of your credit health (credit report and credit related accounts) to help determine if someone is using your identity fraudulently and offers alerts when any new personal information or new credit activity occurs on your Equifax® credit report. Monitoring your credit can help you detect possible identity fraud sooner and prevent surprises when you apply for credit. Alerts include new inquiries, address changes, new derogatory information (such as bankruptcies, delinquencies, and over limit), new public record, new accounts opened in Your name and many more.

Debt Analysis

Debt Analysis automatically captures and synchronizes the debt record listed in the credit report. Your debt-to-income ratio (DTI) refers to the total amount of debt payments you owe every month divided by the gross income you earn each month. A DTI ratio is usually expressed as a percentage. This ratio includes all of Your total recurring monthly debt — credit card balances, rent or mortgage payments, vehicle loans and more.

Communications

You agree to receive these terms and conditions and all other communications regarding MYCM in electronic format. You agree that by using MYCM, all notices, alerts or other communications which we may be required to give you arising from our obligations under MYCM may be sent to your email address. By enrolling in MYCM, you are consenting to receive these communications. We will continue to honor any optout requests that you have made for messages from Vast Bank.

Your Right To Receive A Free Credit Report From AnnualCreditReport.com

MYCM provides you with your VantageScore® Credit Score, related information and other credit report information. However, it's important to know that, by law, you also have the right to free credit reports from AnnualCreditReport.com or by calling 877-322-8228, which is the authorized source under federal law for free credit reports. By law, you may obtain one free credit report from each of the three national consumer reporting agencies (Experian, Equifax, and TransUnion) during any twelve-month period. For more information, go to www.consumerfinance.gov/learnmore.

New Features

We may, from time to time, introduce new features to MYCM or modify or delete existing features at our sole discretion. We shall notify you of any of these changes to features if we are legally required to do so. By using any new or modified features when they become available, you agree to be bound by the rules and terms concerning these features.

Cancellation

You may terminate your service with MYCM at any time by unenrolling in the product on Vast Bank's Digital banking or mobile app, Banno. You can do this by navigating to Credit Alerts and then scroll to the bottom of the page and click on the link "Unenroll MYCM" account. Your cancellation will be effective immediately. When you cancel, it does not affect the validity of any actions taken by us prior to your cancellation or while we are processing it. We may cancel MYCM or change these Terms and Conditions at any time in our discretion.

Vast Bank is not responsible for any losses or delays in transmission of instructions arising out of the use of any Internet service provider or caused by any browser software. Any information you receive from Vast Bank can only be provided for your convenience and is not guaranteed. The Bank is not liable for any deficiencies in the accuracy, completeness, availability or timeliness of such information or for any investment or other decision made using this information.
